**"Tires \$1,000 Each"**

ACTUALLY, if you were willing to pay \$1,000 apiece for tires, you couldn't get anything better than Good-year Double Eagles.

Here's why: Goodyear builds them without a cost limitation of any kind—puts into them the finest of workmanship and materials that money can buy.

On top of this fact, Goodyear enjoys lowest costs through building MILLIONS MORE tires than any other company. So you get these "\$1,000 tires" for surprisingly little more than standard tire prices.
