Mrs. Lina Sturgis, Mrs. James Sturgis and daughter, Mrs. Lin Livermore and daughter are enjoying a vacation at Bingham Springs.

INSURANCE PLUS
Every motor vehicle should be protected by Public Liability and Property Damage insurance. Cost very little and is worth many times the cost. Every owner should carry Landlords, Owners and Tenants Liability insurance, only \$7.50 and may save your home. This is an age of ambulance chasers and damage suits. You owe it to yourself and to society. Neglect may wreck your fortune; it is wasting at the bung hole and saving at the spigot. Liability protects you, life insurance protects your family. We write it and service our policies throughout the policy year. Insurance plus service.

B. B. RICHARDS.

Athena Department Store

Mr. and Mrs. E. A. Dudley came down from Bingham Springs Tuesday and in company with Mr. and Mrs. John Winn of Adams, went up to the Tollgate to pick huckleberries.

Mr. and Mrs. H. S. Swift are enjoying a vacation. They left Monday by motor for Heppner, where they will visit relatives, and before returning to Athena, may tour a portion of British Columbia.

ESTRAY ANIMAL

Notice is hereby given that I have taken up the following described astray animal:

One red cow, about 7 years old, branded lazy T, on left hip, under bit in left ear; dry.

Notice is further given that I will, on the 19th day of August, at the hour of 10 o'clock in the forenoon, at the Jerry Stone ranch about three miles north of Adams, in Umatilla County, Oregon, sell the above described animal, to the highest and best bidder for cash, as by law required, unless redeemed by the owner prior to the date of sale.

Dated at Athena, Oregon, this 2nd day of August, 1929.
HERMAN STONE.

McFADDEN'S PHARMACY

It Costs More to ride on Old Tires Than on New

Figure up your costs for punctures, repairs and delays with old tires. The last miles are not economy.

With new Goodyears so low-priced, and our liberal allowance for your old tires before you render them worthless, you are money ahead on new tires.

By building 100,000 tires a day—a production far greater than that of any other company—Goodyear enjoys lowest costs.
