The first sweepstakes diploma ever issued by the Third Eastern Oregon District Fair, was awarded to A. B. McEwen of this city on Percheron horses. Mr. McEwen received 1st prize on his superb stallion, Star of Kansas and a family of five colts. The horse has received first prize wherever exhibited, and one colt has taken five consecutive prizes.

A generous box of luscious peaches which for size and flavor will compare favorably with any raised in the county were left at this office Saturday by S. S. Parris. Mr. Parris lives at the head of Gerking flat, northwest of this city, near Grand View station. These peaches are raised without irrigation, and Mr. Parris has had good crops for the past three years.

By order of the City council the city rock crusher is again grinding away at the rock quarry below town and work was begun on street repairing Tuesday. One hundred feet on Main street across the railroad tracks will be graded, and other repairs have been ordered by the city council.

Amiel Shubert exhibits spuds by the foot. He informs the Press that three potatoes, laid lengthwise, measured two foot, and they are a fair sample of the product this season of his farm just north of town. At this rate Athena ought not to have to go to Weston mountain for her winter supply of spuds.

Baled timothy hay from Weston mountain is coming in large quantities this week and being stored in Taylor's Independent warehouse. Mr. Taylor has bought 250 tons at \$15 per ton and has already received about one half the amount.

Henry Barrett and Jinks Taylor returned from Walla Walla Monday where they had been before the army board selling cavalry horses. Henry disposed of his splendid sorrel driving team Zip and Agg, while Jinks sold all but one of the horses taken over. The boys report the inspection of horses the most rigid they have ever encountered.

Miss Lizzie Sheard spent Sunday at home, from Whitman college.

Born, to Mr. and Mrs. Alex Johanson October 6, 1908, a 10 pound son.

Mr. and Mrs. Jesse Saling came up from Pendleton and attended the funeral of Grandma Mansfield.

Editorial
For the first time in years Athena Hi's football team beat the jinx and turned the tables on Touchet. For years past Athena has never been able to turn the tide of victory in her favor. The inferior complex of the losing team aids to develop a jinx. Before starting the past games the attitude has been that they couldn't be beaten and Athena has fought with this in mind. However, this year, Athena was determined to win and the results show that this new attitude was better than the other. There is no such thing as a jinx, but it is possible for a team to be influenced greatly by a supposed existing jinx. The players who consider they are jinxed go into competition with a feeling that they are the "under dogs" and the opponents are insurmountable. In every walk of life from the farm to the office, if you make up your mind you can't win, you will lose; but if you make up your mind to win, it will go a long way towards winning success. Pershing never lost heart when he started his march on Berlin. William Pitt, famous English leader, was very confident that he could defeat the French. Many other examples go to prove that it is best to be determined to win. Over confidence is probably as great a fault as under confidence and it often leads to failure but the truth of the proverb, "If you have a will to win, you will find a way" is psychologically true.

Athletics
The Athena High school boys fought their way to the first victory of the season last Friday, against Touchet, defeating them thirteen to nine. The first touchdown was scored by Athena in the first quarter, with only four downs needed to carry the pigskin across the line from a kickoff. Myrick made a beautiful end run of about twenty yards to put it across. In the second quarter Touchet made a splendid place kick scoring three points. The half ended six to three in Athena's favor.

Touchet made a touchdown in the third quarter but Athena was a smashing whirlwind from then on and couldn't be stopped. Athena scored another touchdown in the last quarter and made their try for a point. The game was well played by both teams.

The line-up was as follows: right end, Emery Rogers; right tackle, Stafford Hansell right guard, Bob Campbell; center, Fred Singer; left guard, Cecil Pambrun, left tackle, Walter Huffman; left end, John Kirk; quarter, Art Crowley; right half, Ralph Moore; left half, Jack Moore; fullback, Eldon Myrick. Solista Pickett and Herbert Reeder were the only substitutes used.

Alumni

Entertainment
The Girls Glee Club have resumed their activities for the ensuing year. There are about ten girls in the club, who meet twice a week under the direction of Mrs. Areta Gurney.

The student body were guests of the Freshmen Class at a werner roast given at Thorn Hollow. The Freshmen proved to be very successful hosts. Marshmallows were toasted and buns were enjoyed with the hot werners. Afterwards games were played around the blazing fire. The students returned home at an early hour.
