VOLUME 50.

ATHENA, UMATILLA COUNTY, OREGON, FRIDAY MORNING, 22NOVEMBER, 1929

COURT ENJOINS **WOODMAN** ORDER

Restrained From Putting Into Operation "Old Line" Insurance System.

district court from putting into oper- ground. ation an "old line" system of insurnal policy of the order.

Judge Dunklee directed attorneys to prepare a draft of the decree. He escaped the snow but dropping temset November 26 as the time for hear- peratures were prominent. There was ing objections, giving the society time a little snow in western Kansas and

to appeal from the decision.

The W. O. W. lodge operates in Colorado, California, Idaho, Montana, Nebraska, Oregon, Utah, Washington

National Authorities To Discuss Farm Buildi and Wyoming. The society is incorporated under Colorado laws and has its main offices in Denver.

Referring to the court order, the Morning Oregonian says that Portland's insurgent Woodmen of the World, led by Dan Kelleher, hailed ning, November 21. the order at Denver as a sweeping building will be featured on the pro-Multnomah camp, said an appeal gram. Henry Giese, senior agricultural engineer of the United States supreme court.

We were not surprised by the rulfind against us, but we are confident of winning the case in the higher lege, but his services have been loancourt. We will have to win it, for

er men of the fraternal order elected Buildings at Minimum Cost." Peter F. Gilroy, Oakland, Cal., head consul, and adopted higher schedules as the basis of writing insurance. given by Arthur A. Hood of Chicago, corded. The new rates, on a parity with those charged for old line insurance, were made retroactive. This action was taken immediately following Gilroy's authority on the financing of building

Thousands of old men in the order, a majority of whom became members when it was founded in the early '90s, were forced to drop out because the new rates were prohibitive. Faced with the loss of insurance money to which they had looked forward as a which they had looked forward as a country to their families in old age, they went to court.

surgent, as they are known to the ance were Mesdames Joe Payne, Leon administration group in the order, were told that jurisdiction rsted with the United States district court at Denver, where he Woodmen of the World have their head offices.

In Portland, where there are 6800 members of Multnomah camp, 1839 refused either to give up their old demanded by the home office at pioneer families, was here Sunday policies or pay the higher premiums Denver. They were dropped from the rolls, as were old men in the other camps of the city, but under the court's ruling may become members.

A. R. Coppock Wednesday, where business session of the club was held rolls, as were elected for the camps of the city, but under the court's ruling may become members.

A. R. Coppock Wednesday, where business session of the club was held rolls, as were elected for the camps of the city, but under the complete session of the club was held rolls. At and Mrs. Raul Morrison and shortly afterwards and officers were elected for the country strained and officers were elected for the complete session of the club was held rolls. At and Mrs. Raul Morrison and shortly afterwards and officers were elected for the complete session of the club was held rolls. The complete session of the club was held rolls and officers were elected for the complete session of the club was held rolls. The complete session of the club was held rolls and officers were elected for the complete session of the club was held rolls. The complete session of the club was held rolls and officers were elected for the complete session of the club was held rolls. The complete session of the club was held rolls and officers were elected for the complete session of the club was held rolls and officers were elected for the complete session of the club was held rolls and rol in good standing again by paying up successfully engaged for a number of their back dues.

The exchange of policies was started last May and went on through June and July. Old men began dropping out in the spring and by the middle of the summer the majority who felt that they had been imposed upon were off of the rolls.

In raising the rates Head Consul same classes of insurance as are afternoon. Mrs. J. F. Kershaw, Mrs. H. I. watts and Mrs. P. B. Boyd afternoon. Mrs. J. F. Kershaw, Mrs. Thanksgiving motif were Mrs. Ross of Athena, and Mrs. Jacob Proebstel from 5:30 to 8 o'clock. Patronage of Advantageous freight the entire community is solicited, and the community is solicited, and the pusiness possible. They claimed to have acted at the direction of insurance commissioners in western states, but the insurgents have denied that the commissioners forced the action.

The policies neid by the old men were written over a long period, but the bulk of them date back to the days when the Woodmen of the World Montana, is in the city visiting at was being built up as a fraternal the home of his nephew, C. L. Mcorder. Their rates were extremely Fadden. Mr. Lane says stockmen in low. Some pay as little as 70 cents his part of that state are faced with of the birthday anniversaries of her a \$1000. From 70 cents the rates the problem of securing feed for their husband and son, James. Two birthrun to about \$1.50.
