Diversity is not emphasized according to its importance. Diversity can be called one of the stepping stones to success. The football player may be a wonder at carrying the ball, but if he cannot tackle or play defensively, he is of no value. A business man who knows how to spend money wisely but cannot make it, will never be successful. Various phases of school life or business world are over-emphasized and not enough thought given to diversity. The all-around pupil is fairly talented in all branches of school life and, while he may not be as good in one subject as one who is specializing in that subject, will probably be more successful in after life because he possesses diversity. A man may be a wonder along some line of work, but if he cannot put his thoughts in words, his genius goes for naught. Subjects should be emphasized according to their importance, but none should be eliminated because they are difficult for the particular person concerned. Future success is dependent on diversity so it should be treated accordingly.

Athletics

Last Friday's basketball game was the first of the season but as it was not a scheduled game it has no bearing on the coming season but helped to show "Pike" the strength of his team. The score was 50-28 in favor of Milton Alumni.

The Milton Alumni walked away from the local boys at first, but in the last the boys came out and started dropping in the baskets. Although the boys kept working hard, they were too far behind to redeem themselves.

The next game will be with Pendleton here tonight.

Girls Basketball
Twenty girls are turning out for basketball this year. They held a practice game last Friday night, with the Blues winning by a large score. Measurements were taken today for new basketball suits which are being ordered by Coach "Pike" Miller. The sweaters are orange with black trunks trimmed in orange. The girls will wear orange socks to complete the costume.

Student Body

The students will enjoy a Christmas tree on Friday the 20th. The question was brought up and voted on favorably in the student body meeting held Friday, December 1, which was presided over by the president, John Kirk.

Subject Classes

A debate has been carried on in the Sophomore class under the supervision of Miss Smith. The pupils studied sources as to whether San Francisco would ever be a city like New York. After assembling the data the pupils took sides and debated the question. The interest was very keen.

Alumni

Wayne Pinkerton visited friends in Athena Saturday evening. Ralph and Edwin McEwen visited their parents here Sunday afternoon.

Entertainment

An assembly was held in the school auditorium last Friday afternoon. The Girls Glee club sang several selections which were followed by a short talk from superintendent, Mr. E. E. Coad. After a few popular songs were sung by the group, a short business meeting was held, presided over by the student body president, John Kirk. The question of a Christmas tree was brought up for which the students voted favorably. The assembly was brought to a close by a few peppy yells led by the yell leader, Robert Lee.

Classes

The vaudeville, which is sponsored by the Junior and Senior classes, will be put on the evening of Thursday, December, the 19th, in the high school auditorium. This event will be a laughing riot from start to finish. Some of the best acts will be a short, humorous play, a burlesque, which is sure to promote laughter, a Spanish scene with a real steer, a Period Revue, a negro minstrel act, chorus girls, and several songs and dialogues. These acts have been well chosen and are very clever. The participants have been well selected and under the direction of Miss Smith, Miss Brodie, and Mrs. Gurney the acts are getting well along towards the point of perfection.

Personals

Harold Kirk and John Kirk spent Saturday in Walla Walla. Ralph Moore was a Hermiston visitor Sunday. Raymond Murphy was in Walla Walla Sunday. Robert Lee spent Sunday in Weston. Doris Street spent the week-end with relatives in Pendleton. Elizabeth Walter spent Saturday in Walla Walla.

Faculty

"Pike" Miller attended the principal's meeting at Pendleton Saturday. Miss Beulah Smith and Miss Dorothy Brodie spent Saturday in Walla Walla shopping.

Grades

Shoot! Pass! Dribble! are the famous words of the first, second, third and fourth graders. The children have been playing basketball in the gym during the recesses and noon hours, due to the weather conditions. They seem to enjoy themselves and take a great interest in the game. Dayle McLean of the fifth grade has been absent from school the past week but is able to resume his studies again this week. Nyrene Taylor of the eighth grade is out of school on account of illness.

Didn't Stop To Pet The Pesky Ol' Varmint

The Weston Leader gives the following story of the meeting up with a cougar in the Weston mountain district by a couple of the Weston editor's fellow townsmen:

"Dave Burts and Frenchy Dupuis were up on Weston mountain one day last week, getting out pitch kindling from a pine stump near the Gust Olson place, when as nightfall approached they heard an affrighting scream.

"Burts was all for going to the aid of some lady in distress, but Frenchy told him to lay off the knight errant stuff—that he had heard a cougar screech before. The beast came nearer and screamed again from a clump of brush a few rods away. Burts took the axe, handed Frenchy a pole, and the two prepared to sell their lives dearly, but the cougar did not attack.

"Retreating in good order and with faces to the foe, the two men got out of there pretty pronto. Burts and others went back later after the varmint, but it had vamoosed to parts unknown."

Umatilla County Nurse Gives Interesting Report

In her report for the month of November, Helen J. Samson, Umatilla county nurse, reveals that every school in the county except one has been visited and a total of 491 pupils received examination.

Miss Samson reports one interesting incident encountered in her rounds of the schools of the county.

"Only two pupils were in attendance at one school which I reached shortly before 9 a. m.," says Miss Samson. "The teacher stated that the other pupils, five in number, were often tardy as they came in an old Ford and frequently had a flat tire. The teacher was anxious that one of the girls absentees be examined as she apparently was below par. Therefore I made a home call and found four of the pupils ready to start on the way to school. The paraphernalia for a regular examination was brought in and set up in the home. The mother became quite interested and requested that the two pre-school children also be weighed and measured and their throats inspected. This was done to every one's satisfaction and the pupils set out for school."

Gun Club Turkey Shoot Went Over Big In Rain

Despite the rain a goodly number of shooters attended the turkey shoot of the Athena Gun Club Sunday forenoon. A number of the members of the Pendleton Gun Club, including Henry Collins and "Paddy" Matlock came up and participated in the shoot. Over thirty nice, fat turkeys and three sheep were won by shooters in the different contests over the Athena traps.

The success of the shoot, sponsored by the Athena Gun Club, was due in large measure to the efforts of Marion Hansell and Glenn Dudley, who were in charge of arrangements.

Bert Ramsay was on hand as usual in his large capacity as fireman. His big bonfire was a source of much comfort to the shooters, who greatly enjoyed its glowing warmth between shooting events.

Birthday Party

James Cresswell, Sr., and his small son, Jimmie were honor guests at a dinner party Tuesday evening at their home. The affair was in commemoration of their birthdays and was an informal and jolly party. Mrs. Cresswell used a Christmas motif in her decorations, red tapers centering the table and cards decked with poinsettias marking the places. The climax of the dinner was reached when two birthday cakes, were served, one big and one little with appropriate number of candles. Three tables of bridge were in play during the evening, Bert Logsdon making high score and Fred Kershaw receiving the consolation. Those enjoying Mrs. Cresswell's hospitality were Miss Edna DeFreese, Jim Hodgen, Mr. and Mrs. Penn Harris, Mr. and Mrs. Bert Logsdon, Mr. and Mrs. Dudley Rogers and Mr. and Mrs. Fred Kershaw.

Charges Reduced on Extension Telephones and telephone service connections

We take pleasure in announcing a reduction in telephone charges, effective January 1, decreasing the cost of service to telephone users in Oregon. These reductions include:

1 REDUCTION IN CHARGES FOR BUSINESS AND RESIDENCE FLAT RATE EXTENSION TELEPHONES, 25 cents per month. For example, the monthly charge for—
