CHAIN RED & WHITE STORES

Fresh Foods

The foods sold at Red & White Stores are always fresh. It is not necessary for owners of Red & White Stores to buy and store large quantities in order to secure low prices. The association, to which these thousands of dealers belong, combines the purchases of them all, and each individual dealer receives a continuous flow of fresh merchandise from a nearby supply house.

Lester, director was present and chours practice followed. New music is being taken up by the club for the ensuing year. The next meeting will be at the home of Mrs. L. R. Pinkerton.

High School Notes

By Stafford Hansell

Editorial
The beginning of school brings many things, new teachers, new subjects, and many other things but one of the most pleasant is the new football season. Football is not one of those subjects that is taught in the school but one of the "activities" that the school akes part in.
Athena is this year preparing for a bigger and better football year. With a large squad of men and with a fair amount of experience much is expected. It is only fair that the people of Athena should give considerable attention to this home team. The schedule brings one of the best schools in Eastern Oregon to Athena this Saturday. For several years they have been either tied or first in Eastern Oregon competition. This is undoubtedly Athena's golden opportunity to win fame and glory.
One of the main things that a team must have to be successful is backing of the home people. In the larger towns many of the business houses close in order to attend the game. It is attended practically by all of them. Athena if it ever to attain higher heights in school activities we must follow the example of the bigger schools. It is considerable encouragement for the football player to see the prominent business men on the sideline. It will not be too much effort to come to the game and it will show good community spirit so wouldn't it be a good idea to close the doors and prepare to come to the game, Saturday?

Classes
The different classes will engage in a campaign to sell tickets for the Mac Hi-Athena game this Saturday. The classes met September 16 and elected two members to conduct the campaign. Advance tickets will be sold from door to door. A prize will be given to the winners.

Entertainment
The Freshmen entertained the rest of the student body at a weiner roast Friday, September 12. Nearly all the students and teachers managed to get to Thorn Hollow where it was held. Games and "eats" formed the major diversions of the evening.
The Sophomores have met several times and have announced that the initiation will take place Friday night, September 19. The Freshmen are all anxiously awaiting the traditional exercises.

Athletics
The Order of the "A," an honorary organization open to winners of an "A" for student activities, met and elected officers. The officers elected were Jack Moore, president; Stafford Hansell, vice-president; and Myrtle Campbell, secretary-treasurer.
The Athena schedule opens Saturday, September 20 with a game between the Pioneers of McLoughlin high school of Milton-Freewater and our own warriors. Intense rivalry has always been the key word between these two schools. For the first time in five or six years, Athena feels able to play them on a fairly even basis: Athena will have a fairly heavy team as heavy as Mac Hi's in all probabilities. Our own boys are flying into it with a determination and even if they do not win they will give an exhibition of football that will be worth seeing.
