**FIRST CHRISTIAN CHURCH**  
There will be the regular communion Sunday morning, and the message by Mr. Sias; he will be at Helix again in the evening hour. All will be glad to know that we topped our goal in last Sunday's rally, with a few to spare, and the whole program was pronounced a success. Let us all strive to be punctual at the Bible school hour, which is 9:50. A men's class was launched last week with a good attendance. Instead of the international lessons, they are taking up the study of the Bible as a whole. There promises to be a fine interest. Questions of Bible study, and Christianity in general will be discussed as they arise. All men are invited to join this class.

## High School Notes

Editorial  
(Marjorie Douglas)

We see that a new speed bill has been drafted by Secretary of State Hoss for consideration. This bill removes the 35-mile speed limit for Oregon motorists and bases punishments for fast driving on recklessness rather than speed.

I believe a bill such as this might be a good thing for most schools. The pupils seem to think there is a law against studying your lesson any faster than 25 words a half hour and some are quite careless at even that slow pace.

Instead of having a bill passed in school that they may study at any pace they want and still be careless, the bill should speed up studying and count up the marks against the careless ones.

Beware! For it would be "woe unto us," if they should cause such a bill to be drafted.

## Boys Athletics

Coach "Pike" Miller took his football squad to Milton Wednesday afternoon for a scrimmage practice with Eddie Buck's eleven. The Athena boys held Mac III better than they did on their home grounds two weeks ago. This shows a wonderful improvement in the Athena team, since the last game, with Milton.

Athena plays Waitsburg at Waitsburg today.

## Grades

Gloria Garfield was absent from the third and fourth grade room last Monday on account of illness.

Those in the eighth grade to receive one hundred in spelling for the first month were Barbara Lee, Arleen Foster and Mildred Alkire.

David Lowe entered the fifth grade here October 6. He came from Pendleton and makes a total of twenty-nine students in the fifth and sixth grades.

The hygiene class of the sixth grade are making posters and projects to be completed in the near future.

The grades received their report cards for the first time Monday, October 6. A new style of grading is being used. Starting with a one which represents the highest or from ninety four to one hundred it goes down using two's, three's, four's and five's with the five standing for failure.

The cards tell of the pupils habits around the school, his application and posture of each student.

## Student Body

The first assembly of the Athena high school was held September 26. Songs were sung by the students from the new books purchased by the school.

Mr. Tilley, of the faculty played a solo on the trombone which was fully appreciated by the students.

Dean Jewell of the University of Oregon gave a very interesting address before the student body of the high school last Wednesday.

Mr. Jewell spoke in favor of vocational education. His talk was very interesting as it was based on an actual experience of his own.

## News Staff Elected

The junior English class held a meeting on Monday, October 6 and selected the news staff. The following officers were elected: editor, Marjorie Douglas; assistant editors, Mildred Hansell and Glen McCullough; sports, Jim Wilson and Arleen Myrick; music, Esther Berlin; society, Betty Eager; alumni, Goldie Miller; personals, Raymond Freeze; classes, Walter Edger; faculty, Ilene McBride; student body, Leland Jenkins; grades, Lester Town and George Pittman.
