Oh, East is East and West is West
 and never the twain shall meet

Till Earth and Sky stand presently
 at God's great Judgment Seat;

But there is neither East nor West,
 Border nor Breed nor Birth

When two strong men stand face
 to face tho' they come from
 the ends of the earth!

—Kipling.

THIS AND THAT

Place one teaspoonful of grated orange peel or lemon peel in the tea pot when making tea. It gives a delightful flavor and makes ordinary tea taste like the expensive teas.

Mild Rabbit.—Cut one-half pound of cheese into small bits. Sprinkle crumbs over the bottom of a buttered baking dish, cover with one-third of the cheese and seasonings, using one and two-thirds teaspoonfuls of salt, one-third teaspoonful of paprika; when the dish is full add one and one-half cupfuls of milk and set into a pan of hot water. Bake in a moderate oven thirty-five minutes.

Junket With Bananas.—Place thinly sliced bananas in sherbet cups. Prepare one junket tablet by crushing it and dissolving in a tablespoonful of water. Add to a pint of lukewarm milk and stir until well mixed. Pour over the bananas and let stand in a warm room until set. Flavor milk with lemon extract.

Apple Souffle.—Add four and one-half tablespoonfuls of tapioca and a little salt to one cupful of scalded milk. Cook in a double boiler until the tapioca is clear, stirring frequently. Add one-half cupful of sugar, cool and add the beaten yolks of three eggs, one-half tablespoonful of lemon juice and one cupful of grated raw apple, fold in the stiffly beaten egg whites and bake in ramekins or casserole set in water. Serve hot with sweetened whipped cream, flavored with almond.

Cheese Souffle.—Take three tablespoonfuls of quick cooking tapioca, cook in one cupful of milk until the tapioca is clear. Add one cupful of grated cheese, stir until melted, cool, add three beaten egg yolks, one teaspoonful of salt and fold in the stiffly beaten egg whites. Place in a pan set in water and bake until the souffle is firm. Serve at once. This serves four.
