3. Between a safety zone and the discent curb or within thirty (30) any motor vehicle?

\*\*State's claim for "non-violent" insane as is taken by the Marion county of such motor vehicle shall dim his headlights. 89. Q. How many sets of brakes are

The bill was presented to the county under the new "ward bills" enacted by the last legislature. These bills provide that relatives who are financially able must reimburse the state for the cost of caring for insane, feeble-minded and tubercular patients in state institutions. In the case of "non-violent" insane the laws pass the cost back on to the counties from which the patients were committed when it is unable to collect from the relatives.

ed to be displayed upon a motor ve-Commenting on the claim presented to this county members of the county court pointed out that no provision had been made in the budget for such light on the roadway side and a red an expense and there is no fund from light visible 500 feet to the rear of which to meet the claim. Again, it was pointed out the county has already paid to the state its tax for the support of these institutions and the ew claim constitutes double taxation.

"If we paid this claim we would be criticized by the taxpayers for cre-Ans. When on a dry, hard, approxi-mately level stretch of highway, free ating a deficit in our budget at the end of the year while the state would from loose material such brakes shall be given credit for piling up a surbe capable of stopping the motor vehicle when operating at the following speeds, within the distances set op-Marion county.

It is also pointed out by members of the county court that the legislature which imposed this new burden of expense on the counties also decreed that it should be unlawful for .58.0 feet a county to expend funds in excess of .83.3 feet its budget or to pay out any money for purposes which were not set up in the budget. This, members of the tor vehicle to be equipped with a Marion county court point out, puts the county in an embarrassing posi-tion regardless of what attitude it might take toward the claim presenting devices prohibited on motor ve- ed by the state for the care of the in-

More Prunes Shipped

The Walla Walla and Milton-Freewater districts shipped 60 cars of prunes Saturday, bringing the season's total to date to 364 cars. As on previous days the growers in the shippers' agreement have not exceeded allotments. Some of the orchards are showing yields much lighter than was estimated the others are expecting a tonnage of from 50 to 100 per cent more than estimated.

Elgin Official Found Dead U. F. Weiss, 71, school clerk, city recorder and justice of the peace at Elgin, was found dead in his home there Sunday when friends went to learn why he did not appear at the Methodist church where he taught Sunday school. Authorities said Weiss a Union county pioneer apparently had died some time Friday night from natural causes. Weiss was prominent in Masonic circles.
