FREE ADVICE TO SICK WOMEN
Thousands Have Been Helped
By Common Sense Suggestions.

Women suffering from any form of
temperamental or nervous trouble
should have a consultation with a
G. A. W. N. doctor. We have a
solicitor in every city who will visit
you free of charge and give you the
very best advice.

The dates are limited and the
women who have been treated have
abandoned all medicines and returned
to their usual work.

Sister Mary Domine, the
instructor in the Federal
College of Nursing, College of
St. Ignatius, tells you:

Women are the weakness of the
world. No one is more so than
women when they are
sick. They are the
weakest of all the
weak.

The following advice is
based on years of
experience, and
will do much
to help you:

1. Be kind to
yourself.
2. Think
positively.
3. Eat
well.
4. Get
enough
sleep.
5. Exercise
regularly.

These steps will help you
return to your normal state.
