\$1000 to loan one good, farm real estate security at 8 per cent. Apply at the Times office.

The Times is informed that the Portland-Beaverton road, by way of Sylvan, will be open for public travel tomorrow, Friday.

The shipping warehouse at the S. P. station can be used again for storing and shipping. For particulars, apply to Ferguson & Sons.

The Times has a number of small places near Beaverton for rent. Parties wanting 2 1-2 to 8 acres can secure same by applying at this office.

If the Times is not right side up with care this week, the discrepancy is chargeable to H. G. Vincent, who presented the editor-devil-scribe with a half-gallon jug of sweet cider, just from the press. Gee, but it was good.

The first or concrete story of Beaverton's high school building will be completed this week, and by the latter part of this or the first of next week, the brick work will be commenced. This will go up much faster than the concrete and more rapid progress will be made from now on. It is possible that the building will be completed by the first of the year.

The congregation of the Methodist church gave a reception to the new pastor, Rev. Gray, in the church building, last Wednesday evening. There were about a hundred present, and a very pleasant social evening is reported. A short program of music and light luncheon were pleasing features.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
