

## STATE DAIRYMEN ADOPT RESOLUTIONS

### ACTION TAKEN TO IMPROVE DAIRY CONDITIONS IN OREGON

The following resolutions were adopted by the Oregon Dairy Association at its annual meeting at Corvallis, Friday 7th.

Whereas, A great and widespread movement is now under way by the Oregon Dairy-men's Association to save the dairy industry of Oregon, there-fore be it Resolved, That this Association does hereby pledge the united support of its entire membership to this end; also to use its utmost endeavors to secure the enthusiastic support of the producing dairy interests generally, and to work in har-mony with the legal agencies of the state created for fostering and safeguarding the dairy in-terests, namely the Dairy and Food Commissioner's Office and the Dairy Department of the Oregon Agricultural College, and also to enlist the hearty co-operation of the dairy breed or-ganizations of the state, all com-bined to make persistent and consistent efforts to achieve and preserve success for this great basic industry of the state.

Resolved, That we appreciate the great work done and the efficiency manifested by State Dairy Commissioner Mickle and the able corps of assistants he has gathered together, and our thanks are due them for the earnest efforts made to assist the dairy industry of the state.

Resolved, further, that this association hereby expresses its complete confidence in Mr. Mickle to accomplish still more for our industry and we ear-nestly invite him and insist that he stand for re-nomination and election to another term of office.

Whereas, it has been well proven that hot milk is a better stimulant in case of chill or ex-haustion than whisky and that either hot or cold milk, alone or in combination with various flavors or spices, can be made into drinks that are both ex-tremely palatable and nutritious, and

Whereas, the passing of the saloon in the three Northwestern States creates a great oppor-tunity for the larger use of milk, by having it kept in the soft drink houses that will to a great extent take the place of the saloon, therefore be it

Resolved that the president is authorized and instructed to ap-point a committee to act either directly or in conjunction with

any organized dairy coun-cil whose duty it shall be to pre-pare literature and have it dis-tributed setting forth the value of hot milk as a stimulant and of other milk drinks as a beverage, and giving recipes and sugges-tions for their use; and each member of this association is urged to personally try to induce soft drink houses, coffee houses, to keep soft drinks constantly on hand.

Resolved that the thanks of this association are tendered to the students of the dairy division of the O. A. C. for the most en-joyable banquet given on Tues-day evening.

Resolved that the thanks of the association are also tendered to the Extension Service and the entire faculty of the Col. for their courtesy extended, as-sistance given and the magnif-icent manner in which they have entertained us during the entire week.

#### Emmons-Helsbeck.

Again the glad wedding bells announce the blending of two names. The happy couple this time are, Mr. Horace G. Emmons and Opal Helsbeck both well known Beaverton young people. They were married at the Multnomah Co. courthouse late Saturday morning by the County Judge of Multnomah county.

Mr. Emmons is the son of W. B. Emmons, an old and well known resident of this place; and the bride is the daughter of E. F. Hilsbeck who resides southwest of this place. Their many friends as well as the Times wish them a happy future.

#### Leap Year Ball.

Last Wednesday evening the Tennis Club held a jolly Leap Year dance in the Cady Hall, at which there were 35 present despite the wintry weather. Archie Pike was hired to gather in the crowd from out of town with his sled and bring them to the ball. This is the first ball of its nature during the season of 1916 and it was enjoyed by all present. The ladies were com-pelled to call for the men, take them to the hall and pay their way, while the men were ex-pected to sit on the side lines and coach and otherwise imitate the delicate species of wall flower so often in evidence. This was done to a marked degree of per-fection, and for once the man was compelled to wait until he was asked. In the mean time ladies occupied the hall and dis-cussed the popular topics of the day.

## THE BIG PIANO WELL UNDER

### Increasing Interest Manifested by the Many Contestants Already in the Field Time Will Show Which are Live Ones

Judging from the interest that has been manifested in the great prize voting contest so far, there is going to be a great scramble for the \$10 in gold to be given to the contestants hav-ing the largest number of votes on Feb. 8. The special prize is worth winning and the contest-ants realize the fact.

The contest is a genuine fact. There never has been a contest in this locality where more or bet-ter prizes have been offered or a more strict adherence to jus-tice and equity to all participants. The Times desires to emphasize the point that every contestant will be afforded an absolutely fair deal.

The names of the judges will be announced soon. Bear in mind the merchants who are giving coupons with every dollar purchase.

The Beaverton Hardware Co., Cash Grocery Co., City Phar-macy, City Meat Market, and Thyngs Confectionery.

When you trade at these places be sure and ask for coupons. Every little piece of card board bearing 25 votes may win some friend of yours the beautiful Obermeyer & Sons piano.

Get your friends to subscribe for the Times. For each one year new subscriber you will re-ceive 600 votes; renewals for one year 500. For each one year back subscription 400 votes.

There is already a large list of contestants but there is oppor-tunity to nominate others. Fill out the nomination blank and send it to this office. Also cut out the vote coupon and cast it for your favorite. In order that every contestant may fully un-derstand the votes during the contest, the Times wishes to state that the contestant having the largest number of votes during the contest will be awarded the piano as first prize; the one hav-ing the next largest number of votes will have the first of the other prizes, and so on until all the prizes have been distributed.

Use the free coupon in this is-sue. If you know of any lady who has not been nominated whom you think would make a good race, use the nominating blank in this issue and send her name to this office, or bring it

in person and it will be entered. It matters not if she be single or married. This is a popular voting contest, not necessarily a young lady voting contest. Read the rules and regulations on another page and govern yourself ac-cordingly. Some one is going to receive these prizes and you can help decide who it will be.

The first count in the contest will be on Tues. Feb. 8, at which time \$10 in gold will be awarded to the contestant receiving the largest number of votes.

These are the names of the contestants who have been nomi-nated. They are authorized to accept money for subscriptions to the Times and give receipt therefor.

Get busy and vote for your choice. The contest will be con-ducted squarely and no partiality will be shown. Do it now and help some one reap the benefit of this liberal offer.

The funeral of the late Mrs. Ellen Kennedy was held Wednes-day morning in the local Cath-olic church and the remains were interred in the Catholic Cem-etry at Cedar Mills. Mrs. Ken-nedy was born in Ireland in the year 1852. A few years later the family removed to the United States. She was 63 years of age when she died, the cause of death being old age.
