ALOHA-HUBER SCHOOL CHAMPIONS

BEAVERTON HIGH

GETS PUFF

The pupils of the advanced room have formed two literary clubs. One society gave a Robert Burns program on January 27.

We are proud of our certificate showing that the Aloha-Huber school holds the spelling championship of Washington county.

Considering the condition of the stormy weather, a good number of parents responded to the invitation to visit the school January 26.

The Parent-Teachers Association has placed in the basement four more pieces of play apparatus, and has generously donated funds for outdoor apparatus. Besides this the Circle has circulated a paper for library funds and assisted us liberally in our Thanksgiving and Christmas entertainments. Long live the P. T. A.

We lose our very efficient janitor Mr. Covell, much to our regret. He moves to Portland where he has accepted the janitorship of Centenary M. E. church.

Prof. M. S. Pittman, some weeks ago gave our school an inspiring talk.

We hear good reports of the

progress of the Aloha-Huber boys attending the Beaverton High School.

SNOWBOUND RECLUSE FACES DEATH

Chris. Goode, an aged man, who has been living in a cabin in the woods south of Cornelius, was taken to a Portland hospital by Health Officer Wood Friday, suffering from exhaustion. The recent snowstorm prevented his leaving his home for supplies, and when found by neighbors he had been without food for 10 days. He declares he is one of the heirs to a large estate in the east.

BILL THOMPSON CORPORAL.

Upon the recommendation of a board of examining officers, William R. Thompson, of this place, has been promoted to the rank of corporal in the United States Marine Corps, according to advices just received from Washington, D. C.

William, who is a brother of Miss Clara B. Thompson, of Beaverton, enlisted in the United States Marine Corps at its Portland recruiting station on January 29, 1915, and is now serving at the marine barracks, San Diego, Cal., awaiting transfer to expeditionary duty, where he will have many interesting experiences and adventures, or to a cruising battleship which will visit strange lands and give the Beaverton non-commissioned officer an excellent opportunity to see the world.

Young Thompson is widely known in this community and his many friends will be pleased to learn of his rapid promotion in the United States Marine Corps.

RURAL CREDITS SYSTEM PROPOSED

SCHOOL FUND BASIS OF LOAN FUND

STATE LOAN

COMMISSION

The following points on a rural credits system for Oregon have been proposed by Dr. Hector Macpherson, head of the U. S. and O. A. C. Bureau of Markets and Rural Organization:

1. Name: There is hereby established the Oregon Farm Mortgage Credit Association which shall be a state institution with a branch in each county.

2. Purposes: The purposes of the Oregon Farm Mortgage Credit Association shall be to raise funds and make loans, secured by farm mortgages, throughout the State of Oregon.

3. State Farm Loan Commission: The Oregon Farm Mortgage Credit Association shall be under the control of the State Farm Loan Commission, which shall consist of the governor of the state, secretary of state, the state treasurer, and secretary of the state land board and five other members chosen to represent the Willamette Valley, Southern Oregon, the Coast Region, Northwestern Oregon, and Central Oregon, respectively. They shall be chosen for their ability to handle financial matters, and from their acquaintance with the rural credit needs of their various districts. The Farm Mortgage Credit Commission shall appoint a general manager who shall be responsible to the commission for the general management of the Oregon Farm Mortgage Credit Association. The manager, upon the approval of the State Farm Loan Commission, shall select his office force, appraisers and county representatives.

4. Membership: The members of the Oregon Farm Mortgage Credit Association shall be farm land owners who have affiliated themselves with one of its county branches who have complied with the Oregon State Law and with the regulations of the Oregon Farm Mortgage Credit Association and secured a loan upon their land through this association.

5. Raising Funds: The common school fund, under proper safeguards, shall constitute a revolving fund which, together with the accumulated net annual surplus, shall be the original capital of the association. Upon the basis of the farm mortgages already let by the State of Ore-

gon as security for the common school fund, the farm mortgage credit commission shall issue bonds in series of \$100,000 or multiple thereof, the interest and principal of these bonds to be guaranteed by the State of Oregon.

6. Conditions of Securing Loans: Loans shall be made to farmers upon mortgages upon their land for an amount not to exceed 50 per cent of the appraised value of such land, exclusive of perishable improvements. A loan to any individual shall not exceed \$50 upon each acre of land owned, nor shall it exceed \$5,000 for each member. Each member shall make written application for a loan upon forms to be secured from the county branch of the Oregon Farm Mortgage Credit Association, and in this application he shall submit in detail the purposes to which he intends to apply the loan, and no part thereof shall, under any circumstances, be applied to any other purpose.

Interest and principal of all loans shall be payable upon the amortization plan in quarterly, semi-annual, or annual installments. At the end of three years, however, from the date of securing a loan, the borrower shall have the privilege of paying off in addition to his regular amortization installment, any additional portion of the loan he sees fit, and his future amortization installments shall include interest only upon that part of the loan remaining unpaid.

Each farmer obtaining a loan shall submit to a survey of his farm and equipment according to the forms used by the division of Farm Management of the United States Department of Agriculture. These forms are to be filled out before he obtains a loan, and at the end of each calendar year so long as he remains a debtor to the Oregon Farm Mortgage Credit Association.

CHECK RAISERS.

The T. C. Reynolds grocery and Well's department store of Hillsboro were made victims of a bad check artist Friday night. The first check was for \$21.60 and the other for \$31.75.

The man, apparently a laborer, made small purchases. The checks were drawn on the Cornelius State Bank, payable to A. Hogn and signed "W. Schmit." After cashing one check Mr. Reynolds became suspicious, but while he was telephoning Cornelius the man dashed out of the door and disappeared.

All advertising must be in by Tuesday morning.

LAST CHANCE FOR RECOGNITION

FIRST COUNT NEXT TUESDAY

HOW IS YOUR

CHANGE NOW

Tuesday Feb. 8 is the date set for the first count of the Index Popular Publishers' and Merchants' Piano contest. In view of the short time allowed for each candidate it should not be necessary to reiterate necessity of every contestant putting forth her best efforts in what is termed the "recognition" period of contest.

It is obvious that at no season of the campaign will a little conscientious work be more effective. You owe it to your friends to "try" if not to yourself. It costs nothing but a little effort which shows your appreciation of the opportunity and the courtesy and friendly spirit manifested by those who are watching your progress more than you imagine.

There are always some surprised at the count. Rumors and counter rumors are always in the air, but the wise candidate will give these no consideration. The main thing is to lay out a well defined campaign. Don't try to do it all in one day. The publisher will gladly give you necessary instructions, names of subscribers and new prospects. Armed with these you know who you want to see and see a number each day. Your success depends upon your ambition.

The interest is growing each day, the subscribers are picking the ones they will support, therefore the first count is a critical period. A few thousand votes now mean much. Hurry!! Get busy today; tomorrow then will be easier.

Subscription and merchant coupons should be saved by every family. One coupon has often been the means of awarding the beautiful piano. Above all things begin today.

BAND CONCERT

Thursday night the band boys gave their long heralded concert and "chicken feed." The affair was a very successful one and if not repeated too often may prove a remunerative form of entertainment—at least for the band boys. Before the concert a well prepared supper was served, and a large and hungry crowd was fed on chicken, potatoes carefully disguised, cake, pie and coffee.

After the supper was finished everyone gathered in the main room of Cady Hall where seats had been provided, and listened to music by the band, songs by the male quartet, and general by individuals. Following the program there was dancing and a general good time.

All the small streams in this section of the country are working overtime carrying away the surplus water left by the melting snows and the heavy rains of the past few days.
