COUNTY EDITORS VISIT SHERWOOD

Editors Given Large Banquet by Live Business Men.

The Washington county editors congregated Saturday in the city of Sherwood for their second regular meeting. They were met at Beaverton by the Sherwood auto bus at noon and taken, via Tigard, to the "Onion City!"

Arriving in Sherwood about 1:00 p. m. they were met by the editor of the Tualatin Valley News and the mayor of Sherwood, who personally conducted the visitors around the neat little city.

At 1:30 p. m. the editors retired to the Hotel Sherwood where they were met by a committee of twelve business men, and banqueted at a well laden table. Following the banquet L. A. Fernsworth, and A. E. Scott, of the Editorial association, and Mr. Dodson of Sherwood addressed the gathering.

Before the business of the day was taken up the members of the Association were requested to attend a meeting of the Sherwood farmers, who were agitating the building of a cannery at that place. Several of the editors addressed the meeting on matters pertaining to the cannery.

About 3:00 p. m. the association convened in the parlors of the Hotel Sherwood, which was graciously donated to their comfort. Here many things of interest to the newspaper men were discussed and a code of by-laws adopted. A vote of thanks was given to Editor Blodgett and the Sherwood business men who so ably entertained the visitors. After appointing Cornelius as the next place of meeting, and setting the time as the last Saturday in April, the meeting adjourned.

Those present were: H. V. Meade, Orenco; A. E. Scott, Forest Grove; L. A. Fernsworth, Banks; W. C. Henfer, Forest Grove; Roy E. King, North Plains; Roy Blodgett, Sherwood; S. H. and L. S. Davis, Beaverton.

A. E. Scott Out for Representative.

A. E. Scott, who has announced his candidacy for the republican nomination for representative from this district, has lived in Washington county for six years. During that time he has been editor and publisher of the Washington County News-Times, closely in touch with the affairs of the county.

He is a resident of Forest Grove, coming to Oregon from

Astoria, Illinois, where he established and conducted the Astoria Search Light for sixteen years prior to his coming to this state. At Lewiston, Ill., for three years he edited and published the Lewiston republican. He was born and reared on a farm in Wayne county, down in southern Illinois, familiarly called "Egypt." At the age of eighteen years he entered the Wayne County Record office in the capacity of "Printer's Devil" there spending several years at the printer's trade, later taking a position in the Fairfield postoffice as assistant postmaster, going from there to the newspaper work at Lewiston, Ill.

By the dint of hard work and steady application to his tasks he has successfully managed his affairs and is a heavy tax payer in the town and county in which he lives. He has always been a hard worker, devoting his time and energies to the upbuilding of his newspaper and the community in which he lived.

He is married, has no family, is a member of the Congregational church, Modern Woodmen and Masonic fraternities.

If nominated and elected he advocates the "People's Business in a Business Way. Strict Economy and Fairness to All."

PIANO CONTEST SOON CLOSING

Only Fourteen More Days for Contestants to Work.

If when you do a kind act you should fatally wait for the gratitude, you might thereby miss the opportunity of doing another, and failing to get what you have foolishly desired, lose all the joy of life, or, having got it, lose the other chances of being satisfied. Best keep on trying then; what is done for others you have done twice for yourself, for what is your end and object than happiness, which never follows greed?

A piano is never a foolish possession.

Every time you spend a dollar put it some place where you can get a vote coupon and then turn it over to your chosen candidate. You won't be the only one doing this, and how do you know but that your little help will turn the trick and put the prize where you want it? You people who get out of yourselves once in awhile and do something for somebody else, are beginning to learn the true secret of a happy life, and once you get in the way you will keep it up forever—you will speedily see that the millennium is no fickle dream, but a blessed reality, to be brought about by just such simple means.

No use to shout about the virtue of the piano or other prizes. All have become familiar with them. Now is the time for steady, determined effort, the kind that wears and tears and makes character in the doing. Every one of these contestants, who have been working for the prize, will be the better for the effort, even though there is only one piano and only one who can get it.

Who is to be the one? That is to be the momentous question. Do they at times see a vision of the dray stopping at their door, the men unload, tramping into the house with the beautiful instrument, the reward of their prowess and endeavor. How much interest did you take in such a dream? Have you not dreams of your own? And how would you feel to have them realized? Don't you think you would have very much the same feeling could in some way assist or have assisted in the realization of some such laudable ambition?—Try it and see. Put forth the effort. Bear in mind some of the contestants whom you would like to see a winner and then go out and work.

When one can play it, all with-

in reach of its sweet sound are benefitted thereby.

Remember that five of our leading merchants are interested in this contest and give 25 vote coupons with every dollar's cash purchase to those who ask for them.

The following are the merchants who give coupons:

The Beaverton Hardware Co., Cash Grocery Co., City Pharmacy, City Meat Market, and Thyngs Confectionery.

Following is a list of the contestants:

BOOSTERS HOLD REGULAR MEETING

Chamber of Commerce to Have Entertainment.

The Chamber of Commerce is becoming very active, and is planning many things which will benefit both the city of Beaverton and the surrounding country. Last Thursday evening they met in regular session in Cady hall, when many things of interest to the community were discussed, and plans laid for its betterment.

The organization being slightly in debt and in need of funds to carry on the work, it was decided that an entertainment of some nature must be given. Several members thought a dance would bring the needed results if it were run as the last one was, when every member took three tickets, selling two and keeping the other for himself.

After considerable argument this form of entertainment was overruled and it was decided to give a program full of stunts by local talent, charging twenty-five cents for the admission. The date was set for the second Thursday in April. The following committee was then appointed to instill the necessary vim into the event: E. Stipe, W. C. McKell, and Doy Gray.

As the spring was coming on, several believed it was time to begin the clean up agitation. The time was thought to early in the season to begin this work, and so it was laid aside till the next meeting.

J. W. Raynard, of the Scholls Telephone Co. was present and told the club of the road troubles in his district, where he stated, they had spent \$20,000 worth of special tax in the past five years and their roads were now little better than the average road.

He figures that the return will hardly amount to twenty-five cents on the dollar. In his district the sentiment favors bonding, but the present road laws forbid the bonding of separate road districts.

The proposition of getting the road money spent throughout the district where it would do the most good and at the same time where the taxpayers wanted it laid, was discussed. L. L. Gilbert stated that he believed the County Judge would have the money spent where the district recommended it should be spent. He then appointed a committee consisting of M. P. Cady, A. W. Pike and himself to go over the roads with the supervisor. When this has been accomplished, certain improvements will be asked

of the County Court and help will be requested.

A committee consisting of T. W. Zimmerman, S. H. Davis, and A. W. Pike were appointed for the purpose of bringing about co-operation between each of the Commercial Clubs throughout the county. If this movement can be successfully accomplished it will bring about a closer relationship between all parts of the county.

In order to bring about a stronger organization it was decided to begin an active campaign for more members as there are many public spirited men in the community who do not belong to the Beaverton Chamber of Commerce. For this purpose the following committee was appointed: M. P. Cady, R. L. Dean, W. C. McKell, Jas. Mott.

Truck to Carry Passengers.

A truck will receive all wishing to attend the Band concert at Huber Saturday evening. Truck leaves promptly at 7 p. m. returning after the concert and later after the dance for those who wish to remain. The fare will be 25c return trip. Note the program on another page of this paper.
