THE LONG TRAIL

By I. W. Spillet
(Continued from last week)

across the opening.

The room was now filled with a translucent light which emanated from the core of the object on the table. This object, in the reflected light of the star, proved to be a lucid globe, crystal like in appearance. Into this the old man was staring with rapt attention.

Chap. 2: The Light.

Through the depths of the sphere there now began to swim a hazy picture, which gradually grew more distinct till at last there appeared, clearly defined, a long winding trail which lead away through the mountains. Through it all there was much the same. The walls of rock, the

river that flowed beside, the very air of mystery which seemed shouted from every overhanging cliff.

J. E. REEVE,
Sheriff of Washington county, Oregon.
By J. C. Applegate, Deputy.

THE POLITICAL POT.

FOR SHERIFF.

To the Voters of Washington County.
I am a candidate for the republican nomination for the office of sheriff at the Primary Election to be held May 19th, 1916. If nominated and elected I will give the protection of my office to all persons and all classes alike. I will conduct my office in an economical way as near as possible with fair and courteous treatment to the public. GED. G. HANCOCK.

FOR SHERIFF.

To the Members of the Republican Party in Washington County.
I respectfully solicit your support in the primaries May 19th for the office of sheriff of Washington county. If I am nominated and elected I will during my term of office conduct said office honestly, impartially, efficiently, economically and for the best interests of the taxpayers.

J. W. CONNELL.

FOR CIRCUIT JUDGE.

To the Republican Voters of Washington County.
I am a candidate for the republican nomination for Circuit Judge of the Nineteenth Judicial District, comprising Washington and Tillamook counties, at the March 19, 1916, primaries.

GEO. H. BAGLEY.

FOR CIRCUIT JUDGE

Of the Nineteenth Judicial District.
I am a republican candidate for nomination to the office of Circuit Judge of the Nineteenth Judicial District, composed of Tillamook and Washington counties, subject to the republican primary election to be held May 19th, 1916. I am a resident of Foster Grove in said Washington county, and have been an attorney for 30 years, and am admitted to practice in all the courts of the State and the Federal Courts of the United States of the District of Oregon. I have been a lifelong republican, but in the discharge of public duties have always held the interest of the people above that of party or politics, and that the judiciary should never be swayed by partisan influence or party prejudice.

I have ever conscientiously stood for right economy in the expenditure of the public money. The burden of taxation is increasing out of all proportion to the benefits received, increased wealth or ability to pay. If nominated and elected I will administer the business of the courts of this district justly, promptly and with the least possible expense to the taxpayers.

Less litigation, less expense, less delay and more justice shall be my aim. Your support is respectfully solicited.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly irritating the part affected, promoted its incurability. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. HALL'S Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system.
