A Joke With An Afterthought.

A newspaper humorist quotes this from a letter received by one of the Georgia congressmen:

"My youngest son has run away and enlisted in the regular army. I can't get him out. Won't you help me? He is a good boy and I was raising him for my own use."

In one sense this is a joke—a joke upon the father, who was bringing up the boy to get as much work out of him as possible—and the young soldier probably has chuckled over it more than anybody else. But the story is more serious than humorous. This boy ran away to escape three or four years of hard labor for his father's profit. Unfortunately a good many children cannot escape from their slavery to parents and cotton-mill owners. Georgia has 3,819 child laborers under thirteen years of age, North Carolina 6,369, and South Carolina 4,154, and it is up to the State or Federal legislature to give them their heritage of sunshine, play, and schooling.—Collier's.

Best Proof That Resinol Heals Eczema

In our file of reports, covering a period of twenty years, literally thousands of physicians tell how successful the Resinol treatment is for eczema and similar skin troubles. The first use of Resinol Ointment and Resinol Soap usually stops the itching and burning, and they soon clear away all trace of the eruption. No other treatment for the skin now before the public can show such a record of professional approval.

Resinol Ointment and Resinol Soap work so gently, and are so absolutely free from anything that could injure even the tenderest skin, that they are ideal for healing the skin troubles of infants and children. Sold by all druggists. (Adv't.)

Moderate.

HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you Darken Gray, Faded Hair with Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat which Clogs Kidneys, then the Back hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, terpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulates them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

GIANT

Lifted this one

GIANT Stumping Powder did a clean job, taking out roots and all without tearing a big hole in the ground. Farmers who have used them know that

GIANT FARM POWDERS

STUMPING—AGRICULTURAL

always save them money, time and work. They save money because they lift and heave as well as shatter, and go further than high explosives that merely split the stumps. They save time and work because they get out the stumps—big or little, green or dead—in a condition easy to handle. "I get better results from Giant Powders than from any other powder I have used," says A. E. Adkins, Woodburn, Ore.

There are two Giant Farm Powders, both made especially for Pacific Coast farmers. Eureka Stumping Powder is most economical for dry work and Giant Stumping Powder saves money in stump blasting in wet soil. Try these two. Compare them with the powder you have been using, and you will always use Giant in future. Write us and we will have our nearest distributor supply a trial case at the lowest market price.

How to avoid Operations

These Three Women Tell How They Escaped the Dreadful Ordeal of Surgical Operations.

Hospitals are great and necessary institutions, but they should be the last resort for women who suffer with ills peculiar to their sex. Many letters on file in the Pinkham Laboratory at Lynn, Mass., prove that a great number of women after they have been recommended to submit to an operation have been made well by Lydia E. Pinkham's Vegetable Compound. Here are three such letters. All sick women should read them.

Marinette, Wis.—"I went to the doctor and he told me I must have an operation for a female trouble, and I hated to have it done as I had been married only a short time. I would have terrible pains and my hands and feet were cold all the time. I took Lydia E. Pinkham's Vegetable Compound and was cured, and I feel better in every way. I give you permission to publish my name because I am so thankful that I feel well again."

—Mrs. FRANK BENNETT, Marinette, Wis.

Detroit, Mich.—"When I first took Lydia E. Pinkham's Vegetable Compound I was so run down with female troubles that I could not do anything, and our doctor said I would have to undergo an operation. I could hardly walk without help so when I read about the Vegetable Compound and what it had done for others I thought I would try it. I got a bottle of Lydia E. Pinkham's Vegetable Compound and a package of Lydia E. Pinkham's Sanative Wash and used them according to directions. They helped me and today I am able to do all my work and I am well."

—Mrs. THOS. DWYER, 989 Milwaukee Ave., East, Detroit, Mich.

Bellevue, Pa.—"I suffered more than tongue can tell with terrible bearing down pains and inflammation. I tried several doctors and they all told me the same story, that I never could get well without an operation and I just dreaded the thought of that. I also tried a good many other medicines that were recommended to me and none of them helped me until a friend advised me to give Lydia E. Pinkham's Vegetable Compound a trial. The first bottle helped, I kept taking it and now I don't know what it is to be sick any more and I am picking up in weight. I am 30 years old and weigh 145 pounds. It will be the greatest pleasure to me if I can have the opportunity to recommend it to any other suffering woman."

—Miss LARSA FROELICHER, 1923 Manhattan St., North Side, Bellevue, Pa.

If you would like special advice write to Lydia E. Pinkham Med. Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
