A Successful Concert

A very pleasant thing it would be to state that the Band concert Saturday night was a success, because the success of it was too apparent. Everything went as per schedule even to the arrival of one of the biggest crowds that has attended a public entertainment since the last celebration on the fourth of July.

Brilliantly lit with paper lanterns and electric globes, the Fisher lawn presented an unusual scene with the big crowd scattered thickly over the grass and a large body of late arrivals massed outside of the front fence where they were compelled to stay for lack of room on the inside.

The Band under the guidance of Prof. Geo. Ingraham performed very creditably, and it was said by many to have been the best concert in years. Beside music by the band there were several selections by the big 4 quartet which were well received by the audience.

After the music came ice cream and sports in the lighted roadway. Carl Deasinger won the 100 yard dash, Melvin Vandermost the boys 50 yard dash, Vena Thynge the ladies 50 yard dash and a young chap by the name of Olsen the pie eating contest.

The present band is composed of 15 members, all good musicians and the boys are practicing steadily to improve themselves. Later in the years they expect to be under the direct guidance of Prof. Ingraham which assures Beaverton of one of the best bands in the county. Next month they expect to join with several other Bands and give a massed Band concert in Hocken Grove Sunday afternoon. This form of entertainment has been very popular in the county this summer and the bands have received much praise for the entertainment rendered on these occasions.

Meeting of Board of Equalization

To the taxpayers of Washington County, Oregon:

Notice is hereby given that the board of equalization of Washington County, Oregon, will meet on Monday, September 11, 1916, at the Court House in Hillsboro, in Washington county, that being the second Monday in September and the time and place provided by law to publicly examine the assessment rolls of said county for 1916, and correct all errors in valuation and description or quantities of land, lots or other properties, and it is the duty of all persons interested to appear at the time and place appointed, and if it shall appear to said board of equalization that there are any lands, lots or other property assessed twice or in the name of a person or persons not the owner of the same or assessed under or beyond its value, or any lots, land or other properties not assessed said board of equalization shall make the proper correction.

MAX CRANDALL,
Assessor for Washington County,
Oregon.
Hillsboro, Oregon, Aug. 21, 1916.

Card of Appreciation

The Beaverton Band wishes to thank their many friends for the kind help and loyal support given at their Summer Jubilee—Fisher's lawn last Saturday night. We appreciate your favors highly.

Washington County Fair

Offers Variety of Prizes

The premium list for the 1916 Washington County Fair is now ready for distribution, and if you do not receive a copy within the next few days or two weeks, call on Secretary R. W. Roder, President Joseph E. Hurley, or the News-Times, and a copy will be given you. With the special prizes to be offered this year there is a grand total of \$2,200.00 offered in the various departments of the fair, and nearly every product of the county and state has been provided for. Get a list, study it over, and decide now to go in and get some of the prize money.

In addition to the prizes listed in the premium list there will be nearly \$600.00 worth of special prizes, made up of money and merchandise. This list of special prizes will be issued later. J. F. Forbis, the public spirited citizen who owns the fine place southwest of the city, has donated \$50.00 in cash to be used for special prizes. The Oranco Nursery Co. has donated \$40.00 worth of nursery stock for special prizes, while the business men of Forest Grove and Portland have donated hundreds of dollars in lesser amounts for special prizes for the events to be held during the four days of the fair. This entire amount will be used not only for products, live stock, etc., but will be used for sports and contests of all kinds. A unique and interesting contest is being arranged between the fire departments of the county, and already much enthusiasm has been aroused in the various cities. It is anticipated that "stunts" by the fire ladders will be the leading feature. Again we want to correct a misunderstanding that seems to exist as to the size and convenience of the new grounds. The grounds as planned will have all the space heretofore used, and coupled with the athletic field and track, will make an ideal grounds. Ample stock sheds will be provided for. On the old grounds there was some 420 feet. On the new grounds there will be 600 feet and more if needed. Space for other exhibits will be ample, and then in addition there will be the fine big, cool grove surrounding the University that may be used by the visitors for a resting place.

We want to call particular attention to the School Department of the County Fair. This will include all the features given in this department last year, including a total of \$270,000 for booth displays and for the big parade features. In addition to these will be a fine line of prizes for the sports and games on school day.

Remember the Fair will be held this year on Wednesday, Thursday, Friday and Saturday, September 20, 21, 22 and 23, and that there will be something doing every day. Watch for the program and announcements of special events. Governor Withycombe and a large number of Portland business men have promised to come and help us get started on the opening day. Will you help the men who are helping Washington County by holding this fair, by making an exhibit of your farm products, and when you do that then come in and see what your neighbor has sent in.

For Sale—Organ in first class condition, cheap. Robt. Kennedy on Grand George place.

The woman was arrested and found to be under the influence of liquor. She promised to make good the damage which was said to be \$50. Later she was sentenced to 5 days in jail, but appealed her case and was released on bail.

Tallman-Peterson

A very pretty home wedding took place at the residence of Mr. and Mrs. John Peterson Sunday August 20, at high noon when their oldest daughter Miss Margaret Esther was united in marriage to Mr. Lester De Nain Tallman Rev. Upshaw pastor of the Congregational church officiating. The bride was daintily gowned in white crepe-de-chine and net lace over which hung a white tulle veil fastened with a wreath of orange blossoms. She carried a very attractive shower bouquet of brides roses. Miss Anna Peterson sister of the bride was bridesmaid and Mr. Harry M. Barner was groomsmen. The bridal party preceded by Carra Peterson as flower girl and little Mande Gribble as ring bearer took their places to the strains of the wedding march played by Miss Gladys Tallman.

The rooms were tastefully decorated in green and white. In a corner of the living room fashioned into a bower with greenery interwoven with white asters and over which hung a large white bell marked the position of the wedding party. Immediately following congratulations a sumptuous dinner was served under an arbor in the yard built for the occasion and which was decorated in green and white, with bouquets of pink and white sweet peas in profusion. Fifty-four relations of the bride and groom were in attendance. Many useful and beautiful presents were received. Mr. and Mrs. Tallman have resided in Beaverton and both are well and favorably known young people. The bride is one of Beaverton's popular young ladies and the groom has been employed in the S. P. car shops here for the past 5 years. They left on a late car Sunday evening for Joseph, Oregon, from where they will go to live on a homestead. Their many friends and the many who tend to them congratulate and wish them a happy and prosperous future.
