## The "SILENT SMITH"

—Model 8 shows what should now be expected of a typewriter.

Bell Bearings—Long Wearing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that the wants of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

**Silence of Operation**—The most silent running efficient typewriter ever placed on the market. Absolute silence has been very nearly attained.

**Decimal Tables**—A help in billing and tabulating. There is no extra charge for this convenience.

**Variable Line Spacing**—Enables the operator to start on a given line and space from point of starting; also to write on ruled lines while spacing varies from typewriter spacing. A great help in card work.

**Fast Ribbon Feed**—Insures a place of impact for each typewriter.

**Choice of Curving Scissors**—Upon special order the new L. C. Smith Curving Scissors will be furnished in place of the rigid hand scissor.

All the important features of previous models have been retained—Bell bearings, carriage, typewriter and capital shift, back spacer, key controlled ribbon, removal of platen, protected type, flexible paper feed and automatic ribbon reverse.

Special Order—The new L. C. Smith Curving Scissors will be furnished in place of the rigid hand scissor.

Bryan hits Wilson note.

Watchful waiting maketh wood waiting.

Candidate Hughes doesn't talk like a cut-throat.

Hughes is hammering and the Democrats are yammering.

The Wilson Administration stands for taxes, and more taxes.

The Hughes trail will be cold by the time the Democrats strike it.

As a party leader, would it be fair to refer to J. Ham Lewis as J. "Pork" Lewis?

Can the folks in the Democratic hand wagon continue to play by the president's notes?

Bryan says Mr. Hughes' talks aren't judicial. No. The people can understand 'em perfectly.

Hughes says the country can't be saved by letting it drift. That's where he and W. Wilson differ.

Washington reports that a new apology has been sent to First Chief Casazza. Looks like a habit.

"Eminent judges," says Colonel Henry Watterson, "have ever proved themselves right." Alton B. Parker was a big disappointment to the Democrats. And so is Charles Evans Hughes.—Toledo Blade.

A messenger of President Wilson found out that Colorado women were for the administration. No messenger, of course, can be blamed for making good.

It is reported from Washington that the administration will ignore most of Mr. Hughes' charges. That is very much the easiest way for it to answer them.

**\$100 Reward, \$100**

The readers of this paper will be pleased to learn that there is at least one devoted disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing her work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
