loyel elitean of Washington computy. He is a taxpayer which, I in-derstand, his opponent Mr. Boley is not. He is a man potu-liarly skilled and Sited for the officient in office, yet comerva-tive in all things, and ist me say in closing this latter that he is the man that the votors of Wash-ington county should by all means elect to fill the office of county and sets, besides the East ond of the county should be rpe-reconned.

Give Mr. Hedge a trial and you ill all change ma, for following as advice of this lattle. I am, Very hispectfully your, A. C. Astlan.
