

308 X YES IS A VOTE FOR YOUR CHILDREN

ONE NORMAL NOT ENOUGH

Oregon has but one Normal School. This school is located at Monmouth. Excellent as is the work of this school it is utterly unable to supply but a small part of the need for trained teachers for the State.

Of more than 4,000 school teachers in the public schools of Oregon, but 12 per cent have been trained for their profession of teaching in Normal Schools. It is a well established fact that our one Normal School cannot supply the needs of the entire state. That is why we ask for your work and vote for the proposed Eastern Oregon State Normal School at Pendleton, Oregon.

GIVE EASTERN OREGON SQUARE DEAL

Eight counties in the Willamette Valley have employed during the past five years, 203 teachers who have graduated from the Monmouth Normal as against 20 Monmouth Normal School graduates for the eight leading counties of Eastern Oregon.

During the past five years the attendance of students from nine Willamette Valley counties was 87 students in gaining 23 students from nine of the leading counties of Eastern Oregon. Owing to the crowded condition of our one Normal at Monmouth and also the distance and expense of attending, students from Eastern Oregon are compelled to go to neighboring states to secure their training as teachers.

ONLY COSTS 4 CENTS PER \$1,000

The annual maintenance cost of the proposed State Normal School in Eastern Oregon amounts to but one 1/10th of a mill or 4 cents on a thousand dollars of taxable property, isn't it worth this to have your children trained to become useful and productive citizens?

STRONG ENDORSEMENTS

Among those who strongly endorse the establishment of the proposed Eastern Oregon Normal School are Governor Withycombe, J. H. Ackerman, President of the Monmouth State Normal; W. J. Kerr, President of the Oregon Agricultural College; P. L. Campbell, President of the State University; Robert C. French, former President of the Western Normal, and practically all of the leading educators of the State. J. A. Churchill, Superintendent of Public Instruction, voices the sentiments of those who are most familiar with the need of more adequate Normal facilities when he says:

"Oregon's greatest need for its rural schools is the teacher who has had full preparation to do her work. Such preparation can best come through Normal School training. It is true that the voters of the state will assist in raising the standard of our schools by establishing a State Normal School at Pendleton. The location is central, the interest of the people of Pendleton in education most excellent, and the large number of pupils in the public schools will give ample opportunity to students to get the amount of teaching practice required in a standard normal school." All the above educators insist that a Standard Normal School must be located in a town of 5000 or more population and having enough grade pupils for teaching practice.

VOTE RIGHT

By voting YES for No. 250 you will help to give to the school children of Oregon the same advantages enjoyed by the school children of our neighboring states. Vote YES for No. 250.

Democratic papers chide Hughes because he says he is "100 per cent a candidate." The Wilson papers naturally prefer a fifty-fifty candidate.

The president says he has no interest in any political party "except as an instrument of achievement." If that's so then how did he happen to select such a poor instrument as the Democratic party?

Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. THE CHEMIST NEARLY EVERY KIND OF TOBACCO AND WHEN NEVER TOBACCO GIVES UP UNTIL HOT W-B CUT THE REAL TOBACCO CHEF

HERE is the common sense way a W-B CUT user put it up to one of his friends: "When it comes to tobacco satisfaction, that's got to be in the tobacco in the beginning. McGinnis and Higgins won't put it there. W-B CUT is rich tobacco and chock full of real tobacco satisfaction—satisfying satisfaction has to show for you once you know your tobacco. And considering the other points—low grinding and splitting, and balanced flavor."

EMPTY PHRASES INSTEAD OF CONCRETE ACTION

Not once has President Wilson squarely placed before the American people the question which Abraham Lincoln put before the American people in 1860. What is our duty? Not once has he appealed to moral idealism, to the stern enthusiasm of strong men for the right. On the contrary, he has employed every electioneering device to lull to sleep our sense of duty, to make us content with words instead of deeds, to make our moral idealism and enthusiasm evaporate in empty phrases instead of being reduced to concrete action—From the Speech of Colonel Theodore Roosevelt, delivered at Lewiston, Me., in behalf of Charles E. Hughes.

Friends of Wilson are still trying to explain what he meant by "too good to fight." But can they tell us what he meant by "strict accountability?"

Political Jottings

The Houston Post reasons that it was easier for its own beloved Democracy to endorse the president's Mexican policy than to define it.

While he was about it Senator James Hamilton Lewis also might have explained that the Rome that was "too good to fight" died a rather disastrous death.

"In all fairness," asks the Boston Transcript, "shouldn't the expense of financing Carranza be borne by the Democratic campaign committee?"

Democrats really haven't any objection to big appropriations for army and navy and internal improvements. They expect the Republicans to rustle the revenue to foot the bills for the next four years.

Hughes says he would like six months to investigate the administration, but the administration figures he's doing very well as it is.

Yes, and the same policies that have lured Judge Hughes and others with a "deep sense of shame" have sent many other Americans to their graves.

The president has changed his mind about sending more troops to the border, thus running true to form.

When Tom Taggart talks economy to them it is time the Democrats stopped their extravagance.

The Hughes smile is beginning to attract favorable attention.

Carranza isn't a candidate for president of the United States, but he did have an American propaganda in three weeks that Woodrow Wilson did in three years.

Another thing you never hear of since the Democrats reduced the cost of living is the "babes' sum."

WHY HUGHES IS NEEDED IN THIS TREMENDOUS CRISIS.

Against Mr. Wilson's combination of grace in elocution with fertility in action, against his record of words unbacked by deeds or betrayed by deeds, we set Mr. Hughes' rugged and uncompromising straightforwardness of character and action in every of his words. We put the man who thinks and speaks directly and whose words have always been made good against the man whose adroit and facile elocution is used to conceal his plans or his want of plans. The next four years may well be years of tremendous national strain. Which of the two men do you, the American people, wish at the helm during these four years—the man who has been actually tried and found wanting or the man whose whole career in public office is a guarantee of his power and good faith? But one answer is possible, and it must be given by the American people through United States.—From the Speech of Colonel Theodore Roosevelt, delivered at Lewiston, Me., in behalf of Charles E. Hughes.

Teacher of piano 50 cents per lesson.
