Gasoline, Oils, Tires, Tubes, and a Full
Line of Accessories---Ladies' Rest Room

Three strong reasons urge you to buy the Ford car. First, because of its record of satisfactory service to more than fifteen hundred thousand owners; Second, because of the reliability of the Company which makes it; Third, because of its large radiator and enclosed fan, streamline hood, crown fenders front and rear, black finish, nickel trimmings, it is most attractive in appearance. To these must be added its wonderful economy in operation and maintenance---about two cents a mile; likewise the fact that by reason of its simplicity in construction anyone can operate and care for it. Nine thousand Ford agents make Ford service as universal as the car.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SICK WIFE'S STORY SURPRISES BEAVERTON

The following has surprised Beaverton: A business man's wife suffered from dyspepsia and constipation for years. Although she dieted she was so bloated her clothes would not fit. ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Adler-i-ka relieved her INSTANTLY. Because Adler-i-ka empties BOTH large and small intestine it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. L. R. Dean, druggist.

Council

January 15, 1917. A special meeting of the town council was held and appointed H. G. Vincent, A. Rossi and M. Welter as viewers, to assess the damages caused by the new Highway where it passes through H. R. Nelson place, also Bullet's place. The council voted to secure 60 feet for this right of way. The street light at the "Purser" place was permitted to be moved to the northeast corner of school grounds, provided said move will not cost city anything. Dr. Carstens was appointed health officer.

The recorder was instructed to correspond with the gas company to get their prices for lighting the streets, as our present contract with electric company expires May 31, 1917.

One 1916 Improvement.

One of the many improvements of the past year, 1916, is the W. E. Pegg undertaking establishment, which has been completed within the last few months. The parlors are located in the Grange Hall where several rooms have been partitioned off and finely finished with all modern conveniences, chief among which is the Chapel. Mr. Pegg now has one of the nicest, if not the finest, undertaking parlor in Washington county. Along with the rest of his new business home he has lately added a motor hearse.

Public School Attendance.

The attendance at the Beaverton Public School during the school month ending December 29, 1916: Room 1--16 boys, 16 girls, 32; room 2--19 boys 21, girls, 40; room 3--13 boys, 16 girls, 29; room 4--21 boys, 27 girls, 48. Total 69 boys and 80 girls, 149. EARL E. FISHER.

P. D. Shackelford, who lives on his ranch three miles north of town, walked in the other day, called on the Times and paid another year's subscription. Mr. Shackelford is, perhaps, the oldest reader of our paper, having just lately passed his 91st birthday. He is still a very active man and says he doesn't mind the walk into town in the least.

At the bi-monthly card party held at the Catholic rectory last week Mrs. Larrimore and Mr. Klostermeyer were prize winners. The "booby" prizes fell to Warren Ferguson and Miss J. Fitzpatrick. The latter made special request to say nothing about it, but in justice to the former it may be said Warren's ill luck was due more to his bad accounting than faulty play.
