

WHEN you gentlemen get together at your lodge meetings, somebody is pretty sure to start the little pouch of W-B CUT up the line for his brothers. It's conducive to brotherly feeling. There is gratitude for the rich tobacco that makes a little nibble go so far and for the touch of salt that brings out the tobacco satisfaction without so much jaw work.

School News.

The W. C. T. A. met at the High School building in Forest Grove last Saturday. A large number of teachers were present. At the business meeting in the morning the teachers approved of the industries club work which is being carried on in the county and voted to ask our legislators to support an appropriation to continue the field workers. Principal Patton of the Hillsboro High gave an interesting talk on "Games and Playground." Miss Lathrop and Miss Greer conducted departments. The girls of the Domestic Science class served a delightful luncheon at noon. The principal speakers of the afternoon were Prof. J. Sherman Wallace of the McMinnville College and Principal Scofield of the Eugene High School.

Mrs. Barker of the Aloha-Huber school presented the sub-

ject of primary plans. The next meeting will be held at Tigard, February 10.

The teachers voted to make January 31 "Parents Visiting Day" for Washington county. The parents, and others interested in the schools are urged to visit the school on this day. Don't forget the date. If you have not visited the school yet this year don't fail to call on the above date.

Parent-Teachers Meet.

Last Wednesday evening the Parent-Teachers met in the High School auditorium. The program was unusually good, though it consisted of but three numbers, two of which were musical, and the other was a lecture by Portland dentists.

Very seldom in the course of a winter, is a community privileged to listen to a lecture that is so appropriate and so instructive. The lecture was accompanied by lantern slides, and was based upon the hygiene of the mouth and teeth.

The business of the evening consisted of planning a campaign for the erection of a play shed, and means of raising the money for the same. It was decided to give a series of entertainments in the auditorium and the resulting funds are to be applied to the cost of material and erection.

The first of this series is planned for the 26th of this month, and will consist of both school and outside talent. A nominal admittance will be charged and everyone is urged to be out and help the cause along.

Fogel-Carlson.

Roy M. Fogel of Banks, and Miss Hilda Carlson of Beaverton, were married Monday, January 1, 1917. They were both well known young people, Mr. Fogel having clerked in stores here several years and Miss Carlson was formerly connected with the Banks Hotel. They are now comfortably settled in rooms over Speer's store. They certainly have the best wishes of the entire community for a happy and prosperous future and the Herald gladly joins the host of well wishers.—Banks Herald.
