

WHEN you gentlemen get together at your lodge meetings, somebody is pretty sure to start the little pouch of W-B CUT up the line for his brothers. It's conducive to brotherly feeling. There is gratitude for the rich tobacco that makes a little nibble go so far and for the touch of salt that brings out the tobacco satisfaction without so much jaw work.

### BEAVERTON HIGH SCHOOL.

We, The Faculty and Students of the Beaverton High School desire to express our sincere sympathy and condolence with the relatives and friends of the late Mrs. Margaret Sutherland Haines. Although, our acquaintance with Mrs. Haines was very brief, we had learned to love and appreciate the kindness and sweetness of her Christian character and shall miss her cheery helpful presence among us.

The Faculty and Students of the Beaverton High School, wish to extend to kind friends and parents their heartiest thanks for the valuable assistance rendered them on the occasion of the banquet given the delegation from the Vancouver Deaf School. A good time was enjoyed by all and an excellent spirit of co-operation was evidenced on every side.

### The Score Was in Doubt.

Friday evening the Beaverton high school boys and girls team met the Vancouver Mute School quintets on the local floor. The boys game, as anticipated, was fast from start to finish and was nobody's game up to the last whistle. Summers and Ekstrom played the big game for the home team on the basket end of the floor, while Pegg & Livermore kept the opponent's forwards pretty busy. Emmons played a good floor game. The failure of the officials to take into account two errors lost the game for the high school, but nevertheless the score stood 23-25 in favor of the Mutes at the end of the last half.

The girls' game was considerably slower owing to the continual fowling of the opposing team, and the lack of coherence between the different units of the local team. To sum shortly, it was nothing to be desired for an ending to a basket-ball season. The score was recorded as being, Mutes—8 Beaverton 12. The boys will probably play another game before the season is closed.

### BEAVERTON ASTONISHED BY MERCHANTS STORY

A merchant relates the following: "For years I could not sleep without turning every hour. Whatever I ate caused gas and sourness. Also had stomach catarrh. ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Adler's relieved me INSTANTLY." Because Adler's flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. L. R. patriotic songs and they salute by primary pupils.

Tom, the Piper's Son, was dramatized by pupils of intermediate grades, after which the pupils of the grammar grades gave a splendid exhibition of School Calisthenics under the direction of Prof. C. E. Barker.

Raffa work as illustrated by Miss Wilson, proved very interesting work.

Mrs. M. C. Case, of Hillsboro, presented a method of diagramming that appealed to the teachers very much.

At noon an excellent dinner was served by the ladies of the Parent-Teacher Association.

The afternoon session was opened with a piano solo by Mrs. Darby. Mrs. Britch gave a vocal solo and responded to an encore with "My Hawaii."

Miss Wilson and Mrs. Barker played a duet "Cyclops Galop."

The address of the afternoon, "The Finished Product" was given by the Rev. C. F. Koehler, a very forceful speaker. He laid special stress upon the teachers' responsibility in the making of a finished product—Mankind.

Mrs. H. A. Ball, of Hillsboro, gave an illustrated talk upon the use of songs and games to teach little children to speak correctly.

A recitation by Harry Schmeister was very much enjoyed.

"How not to Teach the Classics" was the subject very ably handled by C. F. Grover, of Orenco, after which the Association adjourned to meet at Banks, Saturday, April 14, 1917.

## CLIPPINGS

So far as increasing Oregon's population is concerned two Washington county families have done more in proportion than was accomplished by the expensive state bureau in past years, attention being directed to the fact by the birth of a daughter last Friday to Mr. and Mrs. Harry Richards of Kinston and a son Saturday to Henry Wyffles and wife, who live north of Cornelius. Births are not unusual in Washington county, but this is the twelfth addition to Mr. Richards' family, while the new arrival at the Wyffles home is No. 10. All of the 22 are living.

M. P. Cady unloaded a car of automobiles last week, and as an indication of Washington county prosperity it might be added that all were sold before they arrived.
