

STARCH

A supplement to the Beaverton Times of March 15, 1918.

To our Rural Route Readers:

There is no moral reason why we should have to make this apology to you. We did our part to get the regular edition to you on time. But circumstances over which we had no control prevented the papers getting in the mail in time to catch the rural routes, so we are sending this little tracer to tell you that the opening will be pulled off according to program, that the starch factory will be running, that an expert will be here all day to answer questions about the grading and marketing of potatoes and that there will be good lunches served by the Honor Guard girls at both the noon hour and in the evening.

The regular speaking program will begin at 1:15 Saturday afternoon.

Huber Citizens, Live in Highway Matter, Appoint Committee To Prepare for Second Road Dance

At a meeting of the Huber Commercial Club Wednesday evening, a committee composed of W. J. Lang, chairman, K. E. Britch and George Covell, was named to confer with committees from Beaverton and other interested points, for a second Highway dance to be held in the near future.

There is yet approximately \$200 to raise and a real live dance ought to do it.

\$25.00 takes \$125.00 surrey, practically new. I am going away. Call at Huber Mercantile Co., Huber, Oregon. 11*

Mrs. Ida Kilburg and son, Tony Jr. were the guests of Prof. and Mrs. Clarence Phillips from Friday to Sunday. Saturday in company with Prof. and Mrs. Phillips and son, Clarence, Jr., they went to Portland and spent Sunday in the city with friends.

Mrs. Kilburg returned to her home at Buxton Monday.

HONOR GUARD GIRLS TO SERVE LUNCH AT NOON ON SATURDAY

Those Who Come Early to The Starch Factory Formal Opening May Be Assured of Plenty To Eat at Midday.

The lunch committee has arranged with the Beaverton Honor Guard Girls, who are to serve a dinner in the evening of March 16, at Grange Hall, to serve a lunch at midday as well. Thus every person who comes early to the starch factory opening is assured of the best of service at both noon and evening meals, every cent of the proceeds of the lunch and dinner will go to the war relief work of the Honor Guard girls.

Farewell to Mr. and Mrs. Rose Monday night about 60 citizens of Huber and vicinity gave a farewell reception to Mr. and Mrs. C. J. Rose, who are to leave next Tuesday for their new home in St. Cloud, Minn. Music cards and speech-making whirled away the hours all too rapidly.

Mr. and Mrs. Rose are held in high esteem among the friends and neighbors whom they have known during their residence in this county and the Times joins their many friends in wishing them prosperity and happiness in their new home and extending to them a cordial invitation to come back and again live in this county.

Elmonica Station Will Not Be Moved, Says State Commission

The Times is in receipt of a communication from Ed. Wright secretary of the State Public Service Commission, saying that the petition to have Elmonica Station on the Oregon Electric moved 600 feet eastward has been denied by the commission,

on the ground that sentiment in the community is about evenly divided, the inconvenience to the public at present is slight, and that the proposed new location would tend to increase the hazard to vehicle traffic by obstructing the view.

POLITICAL PARAGRAPHS

Friends of R. L. Tucker in this vicinity are urging him to make the campaign for the State Legislature. Mr. Tucker's well-known qualifications render him an ideal candidate for the place, but he is hesitating about making a start in politics which he says is, for him, an untried field.

W. G. Hare of Hillsboro, former representative from this county, is being urged to file for the nomination and will probably do so. That Hillsboro wants him to run cannot be questioned, for just the other day they went out and got a petition with a hundred names asking him to file and it took but a few minutes to do it.

J. P. Hurley of the Forest Grove News-Times is being put in shape for the legislative race. He has made good as a newspaper publisher, so we do not see why he should want to waste his time on mere legislative laurels, but if you really want it, Brother Hurley, here's our hand.

F. A. Everest is out for the nomination for recorder. He is at present chief deputy and has many friends who think he is the right man for the place.

We expect to see a number of ambitious ones here Saturday and next week we can tell you a lot about them. The Times will not be backward about saying what it thinks.

Pure bred black Minorca eggs 75 cents setting. Mrs. Henry Luchs, route 3, Beaverton, 11tf

FOR SALE—1916 Ford Runabout. Good condition. Inquire Chas. Bilstin, Beaverton, Or. 11
