

"A Good Man to Work for Is a Good Man to Vote For."

A SLOGAN chosen by the many men who have worked for **L. J. SIMPSON**

"Your Kind of a Man for Governor"

The highest possible endorsement. The most rigid test that his policies, practiced over a period of twenty years, are sound, just and efficient. The best possible proof that his pledges to the citizens of Oregon are not mere "words," but "words backed by works." Those who know him believe in him, believe in his ABILITY—believe IN his POLICIES. They know he will give Oregon a CLEAN, IMPARTIAL, BUSINESSLIKE administration. They know it to be true, ABSOLUTELY. WHY?

Because—
In nineteen years he has employed 21,000 men. He has always paid good wages. He never had a strike or a personal injury suit. He built many homes "on time," never foreclosed a mortgage or sued on a promissory note. He has helped many laboring men to acquire their homes, their business and their livelihood. These workers, who know him best, have endorsed him to a man, have adopted the above slogan and that's "WHY" he is "Your kind of a man for Governor."

Parent-Teacher Meeting Put Off

The meeting of the Beaverton Parent-Teacher Circle, which was to have been held this evening, has been postponed until next Friday, May 10.

Honor Guard Notes.

At the last meeting the Honor Guard Girls decided to give a Basket Social May 18. An announcement with full particulars will be given later but please keep the date in mind so as not to make other plans for that night.

The dance given by the girls last Saturday night was reported a success although there was not as large an attendance

as usual owing to the fact that some people understood it had been postponed.

Miss L. Bloom, who is visiting with her aunt, Mrs. Geo. Meyers, became an Honor Guard member Tuesday night.

WAR SAVINGS NEWS.

Report of Jesse A. Currey, state distributor, of stamps sold in Washington county up to April 29, \$103,692.29. This is about as good a showing as any of the counties are making but not good enough for Washington county. We will be "over the top" when we are on a basis of sales amounting to \$44,500 per month.

As a means of promoting this campaign we are asking patriotic members of every lodge, grange, church, Red Cross, ladies' clubs, business house, factory, mill, school or other place where 10 or more people meet or work together regularly to organize a War Savings Society.

This campaign has started by the organization of The Court House War Savings Society. The following is the form of application and pledge and will serve as a model for other war savings societies. "I hereby apply for membership in the Court House War Savings Society of Washington County and pledge myself (1) to systematic savings (2) to refrain from unnecessary expenditures and the purchase of non-essentials, in order that labor and materials now employed in the production of articles

not necessary to my health and efficiency may be released for the production of those articles and supplies which the United States needs for the support of its army and navy (3) to lend my earnest efforts to encourage thrift and economy in my community and to secure other members for this society; and (4) to invest in War Savings Stamps and Thrift Stamps and to encourage others to do so.

Kane, Dr. W. D. Wood, W. F. Boley, Zola Morgan, Meryl Morton, H. T. Hesse, Geo. Alexander, W. W. Downs, N. A. Frost, D. B. Reasoner, Z. R. Sigman, C. E. Lytle, C. T. Biglow, Rose Cave, E. B. Sappington, Neal C. Jamison, George R. Bagley.

One hundred per cent of the officials and employes in the Court House. N. A. Frost was elected president, W. F. Boley was elected secretary.

The first Monday after the first Wednesday of each month at 5 p. m. was appointed regular meeting time.

Any band of 10 or more people can organize on this simple plan. A report of the organization must be sent to the State Director of War Savings, 300 Journal Building, Portland, Oregon, applying for affiliation with the National War Savings Committee, and giving the name of their local organization, names and addresses of president and secretary and date of

regular meetings. A badge of membership will be given to each member of a War Savings Society.

The government booklet explaining War Savings societies and how to organize them will be sent on application to N. A. Frost, County Chairman, Hillsboro, Oregon.

Directions for carrying on the society and promoting its work will be sent after the application for affiliation has been filed.

N. A. FROST,
Chairman War Savings, Washington County.
