Forest Grove and Hillsboro have each a limit War Savings Club. members pledged in addition to the regular pledge of the war savers, to purchase the limit of war savings before Dec. 31.

Over The Top in Red Cross Drive

Reports from all over Eastern Washington County indicate that the record of the Third Liberty Loan will be duplicated and that all part of the district will be away above the required quota. While complete returns are not yet in, the local district is now over the quota and with the aid of the Honor Guard girls is far above the 200 per cent.

Don't overlook the school exercises during the coming week. Beaverton is sending out a good class and their commencement program is worth attending.

A Red Cross program will be given by St. Mary's girls at 8 p. m. Monday, May 27, at Grange Hall, Beaverton. The proceeds will be donated to the Red Cross.

Chester Haskell and Fred Boese of Cedar Mills, employees of the Stroud & Tucker sawmill have been called in the draft and will report at Fort McDowell, Calif., on or before the 29.

Delegates requested to attend Fair Meeting.

Notice has been received that a large number of different organizations in the county have elected delegates to the meeting at Hillsboro, May 25, for the formation of a County Fair Association. It is possible that there are yet some organizations which have not yet selected delegates as yet, if so, their attention is again called to the fact that each Commercial Club and each Farmer's Organization is entitled to 2 delegates. The meeting is called for 10:00 a. m. at the court house.

Honor Guard Girls Give \$250 to Second Red Cross

Proving their patriotism by works rather than words, the Beaverton Honor Guard girls on Monday night gave \$250, practically their entire earnings for the past five months, to the second Red Cross.

A special business meeting was held Monday night in the Red Cross rooms, the principal purpose of which was to officially give this donation. The girls were unanimous in their desire to give.

Everyone has enjoyed the dances, the bazaar and the social and now that this money has

been given to the Red Cross, no one can help feeling that these entertainments were for a very good cause.

As this gift has nearly depleted their treasury, the girls discussed plans for replenishing it. The plan received with most favor is for a dance to be given in the near future and a committee was appointed to make arrangements for one as soon as possible. As soon as the date is definitely fixed, posters will be put out. Be sure to watch for them.
