"GOT THE BUCK FEVER."

George Hughson and Lawrence Wolf, two of Beaverton's old time sports went over into the Nehalem country last week and killed two buck deer—a "two point" and a "spike," and almost shot a bear. John Peterson went out early Monday morning with his new machine to bring the boys home. When he arrived and caught a glimpse of the two fine venison "By Yimminy Christmas" John got the "Buck Fever" and the way he burnt gasoline would make "old Rockefeller smile," hitting the high places all the way home.
