

Local Party Sees Part of the World.

Mr. and Mrs. N. J. Person and family, Mr. and Mrs. H. H. Taylor and family, Mr. and Mrs. H. P. Downing and family, all of Progress, Mr. and Mrs. A. Zwiener and family of Tigard, and Mrs. E. E. Swenson of Beaverton, Oregon, left here August 29 for Netart Beach, Oregon, by the way of Grand Ronde from there to Cannon Beach, where Mr. and Mrs. Polwka of Portland joined them, making a total of 15, who were royally entertained at Astoria by Mr. Zweimer on their home journey.

Returning home by way of the inland route they arrived at Beaverton last Friday evening. It is of great pleasure for the writer to relate their joyful report, which in part is as follows:

"We had lots of fun, and all our troubles were little ones. Our appetites were splendid all the time for something to eat no matter what but we were not much for drink. For instance; coffee had to be mixed with lubricating oil to get it down. We had a few blow outs but no blow ups. We all think that there could not possibly be any more beautiful or interesting trip than this. We have seen the most beautiful countries and scenery in the world and yet coming home to Beaverton is the greatest pleasure in the world."

They have all agreed that they never thought that the world was as big as it really is. An Interested Observer.

**"Carry On"—Let's Have Teamwork**

WHO will best bring honor to his Town, his County, to Oregon, to the Nation, to Himself—the one who delays subscribing to the 4th Liberty Loan—or the one who steps forward willingly, promptly and VOLUNTARILY? You know and we know what the answer is. You are willing to subscribe, that is certain. But, will you do it PROMPTLY, and without being sought out and reminded of this duty?

To help put Oregon over the top FIRST—your application for 4th Liberty Loan Bonds must be in the hands of your bank or the local Liberty Loan Committee BEFORE Saturday, September 28th. Don't wait a week, a day, AN HOUR. DO IT NOW. Being listed on Oregon's Honor Roll of "Volunteer" subscribers is the biggest patriotic distinction any man, woman or child can have.
