IT ECHOES IN BERLIN

Every steel steamship turned out in our hundred and more shipyards has more than a million rivets, and the rat-tat-tat of the riveters' "guns" swells in chorus with the clicking of the machine guns in France to drown the dying German cheers over their submarine exploits.

The clinking dollars of the Fourth Liberty Loan will add a shriller voice to that chorus and further lower German morale.

It's easy to cheer for our boys in France. Make your dollars shout in the Fourth Liberty Loan. Germany will understand their voice without translation.

RETREATING KULTUR LEAVES ITS MARK

This shows one of the thousands of French villages which have been smashed to dusty brick heaps by opposing artillery during German capture and occupation. Too often French gunners are under the necessity of sending shells into the homes where they have spent happy years with their wives and babies.

Your subscription to the Fourth Liberty Loan will help move the ruin back into Germany.

TELEPHONE COMPANY TO OCCUPY OWN QUARTERS

The Scholls Telephone Co. on Monday closed a lease with Rigolo Rossi, who recently acquired the Fisher Building property, for a part of the Old Huber saloon building which occupies the west end of the ground adjoining the Times office and the first of the month will move the office and switchboard of their telephone plant to the new location when it will be in direct charge of Mrs. E. J. Boring.

The building will be thoroughly remodeled and equipped for the new service and Manager Raynard expects to be able to improve his already excellent service under the new arrangement.

Surprised the McKells.

A very pleasant surprise was tendered Mr. and Mrs. W. C. McKell Sunday evening of last week on the occasion of their fourteenth wedding anniversary. Mr. and Mrs. J. E. Davis, Mr. and Mrs. F. G. Donaldson, Mr. and Mrs. W. H. Boyd and Mr. and Mrs. W. J. Leonard made a trip to Beaverton, acquired a generous supply of ice cream and cake and quietly motored out to the McKell home. Mr. McKell was equal to the occasion, went to the garden and secured several cantaloupes which he had been saving for just such an occasion and when the ice had cooled them to just the right temperature, Mrs. McKell served the ice cream they had brought in this delicious manner. The evening was all too short and was enjoyed to the utmost by host and hostess and guests.

Mrs. Charles Swanson, who was taken to Emmanuel hospital in Portland recently, contracted pneumonia and died as a result of this attack on Thursday of last week. She leaves a sorrowing husband and two small children, one a girl of seven years and the other a baby scarcely a month old. Funeral services were held in Portland.
