5 Acres all in cultivation, fine soil, small house not finished. Price \$1100. Both near Station and School and close to Beaverton.

R. L. TUCKER

Box 425 Beaverton, Oregon.

FALL PLOWING PAYS.

The advantages of fall plowing have been amply demonstrated this year again and the fall sowing of grain has received an endorsement that no one can dispute. Everywhere fall grain has been a success, while spring-sown grain is almost a total failure. Corn planted on fall or very early spring plowing is doing much better than that on later spring plowing.

We are mindful of the fact

that there were difficulties in the way of fall plowing last year, as many farmers are not equipped for dry-plowing, but the difficulties in the way of spring plowing are scarcely less and are not so easily provided against, while the frequency of the dry seasons in this county and the far better crops resulting from the fall plowing argue strongly in favor of farmers equipping themselves to do their plowing when the proper time comes.

This, the "L"-Head type of automobile engine, like all internal combustion engines, requires an oil that holds its lubricating qualities at cylinder heat, burns clean in the combustion chambers and goes out with exhaust. ZEROLENE fills these requirements perfectly, because it is correctly refined from selected California asphalt-base crude.

"Proven Entirely Satisfactory"

Only perfect satisfaction can account for the use of ZEROLENE by the majority of automobile owners.

Leading coast distributors also testify that it is "a most satisfactory motor oil."

They know from the records of their service departments—and we know from exhaustive tests—that ZEROLENE, correctly refined from selected California asphalt-base crude, gives perfect lubrication with least carbon deposit. Get our lubrication chart showing the correct consistency for your car.

At dealers everywhere and Standard Oil Service Stations.

T. J. Allen Writes Home.
Somewhere in Kentucky in the sassafras and pawpaws where the opossum gets fat.—It looks like we do not go in the right way to go to Oregon. I do not know now when we will go home. We do get homesick.

But when we see them grinding sorghum, that takes all the homesickness out of our system. My wife's health is not so good. Our regards to all friends.
T. J. Allen and wife,
September 11, 1918.
