

MOLE POOL MARCH 17th TO 22nd.

Numerous inquiries have been received as to the time for another mole pelt pool, it has therefore, been decided to hold another pool between the dates of March 17th to 22nd.

Pelts can be forwarded to this office at that time, and like the pools of last year, will be sold to the highest bidder.

Trappers are warned that pelts should only be sent during these dates as moths often develop in the pelts when held at the office for a longer period.

Attention is also called to the fact that pelts must be strung together and tagged with name and address of sender. In stringing the pelts it is well to place them in pairs with fur side out.

Returns have just been received for the pool held last month. The 500 pelts bringing a fraction over 20 cents each.

COUNTY SCHOOL NOTES.

During the influenza epidemic no effort has been made to require parents to send children to school where they considered that danger existed. Now that the danger is past teachers are required to report absence to the truant officer promptly as usual.

Prospects seem excellent for the Industrial club work this year. This is a nation-wide movement intended to give the children some really practical education.

We have on file several applications for free garden seeds but have not yet secured any from Washington D. C. The supply is said to be very limited and we may not get any this year.

On account of so many schools being closed at irregular intervals it has been decided not to hold a spelling contest this year.

The officers of the Washington County Teachers Association met in the County School Superintendent's office Tuesday, February 25th and decided to plan for two meetings of the Association, one at Forest Grove, Saturday, March 22, and one in April at Beaverton.

Teachers who attend two meetings of the Washington County Teachers Association will be credited with institute attendance for this year and their districts will be allowed the usual \$5.00.

THEY THANK YOU.

The pupils and teachers of the grade school wish to thank those who helped to make Tag Day such a success. The pupils efforts resulted in a sum of \$25.00 which will be used to purchase library books. We especially wish to thank Mr. Jonas, who so kindly donated the 250 tags. We also wish to thank Myron, John and Crete Gray, Norman Sproate and Ernestine Masters for the liberal donation of library books.

COUNTY SEAT NOTES.

Jesse C. Snider was called to El Paso, Texas, last week to take charge of the remains of her brother, who recently died of influenza.

Last week the Carnation Condensery shipped out fifteen cars of milk to an eastern firm. There were ten thousand cases or four hundred and eighty thousand cans.

E. W. Reeves, who has been with the Hillsboro Telephone Co. for the past year, will open a service battery station about the middle of the month.

Marriage license was granted Albert Emil Krahmer, a well-known young man of this county, who has just returned from cantonment, and Miss Helen A. Pfahl, daughter of Mr. and Mrs. Carl Pfahl, a highly respected young lady of this county.

While trying to manage an ax, one day recently, the little daughter of Charles Babb cut the end of her finger off. She was brought here from her home north of town, where Dr. Robb dressed the wound.

Lawrence A. Wooton, son of Daniel Wooton, of Mountindale, arrived from the east last week, having received his discharge from the United States Navy. He made thirteen trips across the Atlantic during his enlistment.

Clarence Riggs was last week operated upon at the Washington county hospital for appendicitis. The operation was a success, though it was thought for a time that he might not pull through. He is resting quite easy now.

Eva May Hammock, daughter of Mrs. Mary Ingebrigtsen, of Cornelius, died last week at Salem, aged 24 years. The body was shipped here and in the care of Undertaker Limber, and the funeral was held at the Cornelius cemetery, Rev. Crozier officiating.

The Hanna-Matthews Lumber Co., recently located here, is now operating at full capacity, and is shipping to many faraway points. Last week a car of car sills was shipped to the Erie Railway at Huntington, Ind. The company will soon build a road over the gap between the mill and the county road and will then be in a position to deliver slab wood and local orders of lumber.
