BOY SCOUT DOINGS.

Saturday afternoon March 15th, Scouts Leston Fairweather, Jack Malarkey, Raymond Rossi and Wesley Cook were successful in that portion of the test necessary to qualify for Second Class Rank, by covering the distance of one mile at Scout's pace in twelve minutes. Our committeeman Mr. Doy Gray acted as official starter, giving each Scout a slip of paper with the Scout's name written thereon together with the time of their starting. They were dispatched individually and paced two minutes apart. Our Scoutmaster and Senior Patrol Leader, Archibald Masters, were stationed at the City limits, one mile South, to receive the candidates and note the time of their arrival. Tenderfoot Lawrence Hughson, while not eligible, also participated to gain experience preparatory to the time when he is eligible and takes the real test. Tenderfoot Fred Stump acted as messenger and watched the proceedings from the side lines.

In the evening, preceeding the regular meeting, tests were continued by describing, satisfactorily, the contents of one store window after observing four windows with an allowance of but one minute to gaze at each window. From the four windows observed, Mr. A. H. Spranger's attractive window, made up of good things to EAT was selected for the test. Scouts were stationed at a distance in charge of Assistant Scoutmaster, Chas. Fry and after our Troop Bugler Wesley Cook, had passed his test, Scouts were summoned, singly, by the bugler, to come forward. As they approached close to the window they about faced and described the contents of the window. In addition to our Bugler Wesley Cook, the other Scouts were Lester Fairweather, Albert and Raymond Rossi, Ernest Masters and Fred Stump. For Wesley Cook this completes every test required of a Scout to qualify for the rank of Second Class.

At the regular meeting Lawrence Hughson and Jacob Schmidt passed their Tenderfoot Test.

Saturday noon the 22nd opportunity will be given other Tenderfoot Scouts to make the mile Scout's Pace followed with the outdoor fire building (only two matches allowed) and the cooking of 1/4 lb. of meat and two potatoes without any cooking utensils. All eligible Scouts should avail themselves of this opportunity for it is quite likely the limited time of our Scoutmaster will have to be diverted to First Class Scout work from this time on. Our next enrollment May 31st, to our National Council, must disclose progress on the part of every Scout.
