## EVERY SATURDAY NIGHT

### COME AND HAVE A GOOD TIME!

#### BOY SCOUT DOINGS.

Saturday afternoon March 22nd, further Second Class Scout Tests were conducted. Albert Rossi, Patrol Leader of the Bob White Patrol and Earnest Masters of the Crow Patrol successfully negotiated the mile at Scouts Pace. Class then proceeded to residence of Scout Master where test of fire building and cooking without utensile was held. In this test Raymond Rossi and Fred Stump of the Bob White Patrol also participated. Each Scout's careful preparation to start a fire was rewarded with success, only one match used by each of the Scouts in getting a fire going with which to cook his meat and potatoes. Mother never cooked meat and potatoes so luscious. Mrs. Cook served milk to add to the banquet. Other Scouts present were Archibald Masters, Patrol Leader and his Crows, Leston Fairweather, Wesley Cook and Percy Fry. Other Bob Whites attending the ceremonies were Gordon Lindsay and Lawrence Hughson. Scout Lawrence Fitzpatrick, unassigned was also on hand. Around a troop fire these Scouts cooked their meat and potatoes. George Wilson, a prospective candidate, was a welcome spectator and we tried to prevail upon him to taste our cooking, knowing, if he did, we would have him landed for our troop; but he said he wasn't hungry. Later we find he grew hungry and intends to eat Scout cooking and the Scout work in general and is coming to our council this coming Saturday night all prepared to qualify as a Tenderfoot. Scout Wesley Cook as part of his First Class Test has selected this candidate, whom he must aid in the Scout work.

In the evening preceding the meeting Edward Boring and Fred Stump made the mile at Scout's pace; Edward also passing the window test. Of the mile test special mention is due Scouts Earnest Masters and Fred Stump each making it in the exact time i. e., 12 minutes. At regular meeting Lawrence Fitzpatrick was given the Tenderfoot Test and the manner in which he responded indicates that he had applied himself to his manual.

The Crow Patrol elected Leston Fairweather as Assistant Patrol Leader. Candidates Cecil Emmons, Lawrence Hughson, Jacob Schmidt and Lawrence Fitzpatrick having passed their Tenderfoot Test, pledged their allegiance to the National Flag and subscribed to the Scout Oath. Decorations with badge of Tenderfoot were then conferred by Scoutmaster. The earnest study and application on the part of Wesley Cook carried him through every requirement necessary to become a Second Class Scout and he was fittingly rewarded by being decorated

with emblem of that rank. Other Scouts are close behind Wesley, but the honor of having the first Second Class Scout to qualify for a long period belongs to the Crow Patrol through the personal efforts of Wesley. A few Bob Whites are right close by as well as some more Crows. If you hear the Crows crowing you now know the reason.

The absence of our Scribe George Thompson and Philip Thompson of the Bob White Patrol is noted. George was also Asst. Patrol Leader of the Bob Whites. It is to be hoped they will continue in the Scout movement at Hillsboro where they will make their future home. They were both of Second Class rank and capable of qualifying for First Class with a little serious application. Hope to hear of their passing the test in the near future.

Our troop will have to elect a scribe next meeting, and the Bob White Patrol select a new Asst. Patrol Leader to Succeed George.

Lewis and Wolf added another Ford to their equipment last week and Saturday bought a Republic truck for the Beaverton Livery and expects to give a superior service during the boom time coming for Beaverton.

#### COUNTY SCHOOL NOTES.

A standard industrial club is a club of five or more children all taking the same project and organized by electing a president, vice-president, and secretary and securing some older person to act as an Advisor. The Metzgar school is in the lead with three standard clubs, a sewing club with 18 members, a pig club, and a garden club with 18 members. Hillsboro has a sewing club with 10 members. Bacons has a sewing club with 5 members.

We have club enrollments from the following districts: Centerville, Verbort, South Tualatin, Mountindale, Iowa Hill, Lyda, Oak Park, Garden Home, Hazeldale, Wilson. Some of these will probably organize standard clubs later.

N. A. FROST.

"I was thoroughly inoculated by the 'hatch early' doctrine of the poultry specialist," says a Corvallis back-lotter, "but here it is the middle of March and I can't get a cluck from a single hen of 18 Barred rocks, too. Big poultrymen can afford incubators, but I guess I'll have to follow the Chinese method of hatching and get the women to carry the eggs around in their clothes."

The weather of the past week has been ideal. Farmers are busy and the garden makers are stirring things.
