FRIDAY, APRIL 18, 1919.

J. L. Etheridge, President of Morris Brothers, Inc., Portland, in aid of the Victory loan has contributed to the advertising fund sufficient for one of the most distinctive paid publicity efforts ever made in any state in aid of the government. Every daily and weekly newspaper in Oregon has received for simultaneous publication an advertisement almost a full page in size. This will mean 150 advertisements, 100 column inches each, or 15,000 inches of advertising at a cost of \$5,000. It is Mr. Etheridge's idea to make this appeal not only from a patriotic standpoint, but for the purpose of acquainting Oregon people with the true worth of a Government bond as a safe, sane and profitable investment. Publication is made in this issue of The Times. The con-

tribution is expected to serve not alone in carrying Oregon "over the top" but as a stimulus to the advertising fund campaign in each community of the state.

"LET'S FINISH THE JOB."

Our Government has asked you and I to do this by buying Victory Bonds. We have a supply of the Official Application blanks and if you wish you can subscribe now and thus avoid the rush when the Drive starts, April 21st.

Beaverton subscribed its quota voluntarily last time, let us do it again, and save the work of the solicitors.

We understand that some of the Counties in Oregon have their quotas pledged already. Wouldn't it be fine for Oregon to be FIRST "Over the Top" again? We CAN make Beaverton FIRST for Washington County. Shall we do it? Yes we WILL!
