COUNTY WILL HONOR GRADUATES

**Industrial School Fair Will Precede
State Fair—County Superintendent Writes Other Washington County School Notes**

About 150 teachers and a few school board members were present at the local institute at Beaverton Saturday and all felt well repaid for attendance. This is the last meeting of the association for this school year.

A county eighth grade graduation will be celebrated in Hillsboro on June 24th. The diplomas will be presented at that time to those passing at the May and June examinations.

Sherwood, Middleton and Cipole districts have petitions out for the formation of a union high school

district. Banks and surrounding districts are considering the same proposition. Both these sections are quite isolated from high school privileges and really need standard high schools.

The Mountainside school held a pie social last Friday evening securing \$78 to be used in improvements needed in the school.

The Prickett school basket social Friday evening netted over \$30. The teacher and some of the older pupils were out Monday spending it for things needed in the school. The Prickett school board met with the County Superintendent at the school house Monday planning improvements. The lighting system will be changed and everything done necessary to make their school standard. A play shed and gravity water system are also being considered.

The Washington County Industrial Club School fair is now assured. It will be held the Thursday and Friday preceeding the state fair.

There are sixteen standard industrial clubs now organized with a membership of 209. Besides this there are about 250 enrolled in individual projects.
