COOPER MT. NEWS

More laurels for Cooper Mountain Eighth grade examination returns bring glad tidings. James Sams, Bernice Barron, Robert Bertsch, Millie Jacobsen graduated from the Eighth grade, while Walter Walker, Gertrude Oberg, Henry Jacobsen, Ruth Walker, Norma Sams and Alexander Reusser won out in physiology Sixth grade examination. They wrote on all the subjects. Congratulations.

Mr. Kaufman has some of his hay cut and in the shock.

Henry Nelson, of Beaverton, is hauling wood for Mr. Moe. There will be 1500 cords. About 200 cords are cut now.

Julius Gassner has some fine swine on his ranch. About 31 are "in clover" now.

Dave and Dewey Walker left for Eastern Oregon last Friday night. The harvest fields and big wages east of the mountains look good.

Cooper Mt. graduates are planning to take part in the monster 8th grade commencement exercises at Hillsboro during the latter part of June.

The writer was on top of the mountain Tuesday while visiting at Jacob Kemmer's, Julius Gassner's and Ricket's farms and saw three of the finest ranches in Washington County. Crops, orchards and buildings in A No. 1 shape.

Edward Wolf, of Beaverton, has been improving his property here recently. Mr. Galbraith did the carpenter work.

The County Court usually contributes some of the general road funds to road districts who have voted special taxes. Now would be a good time for a delegation of our taxpayers to visit the Commissioners and Judge at Hillsboro and ask for some rock. The crusher will be working at Hazeldale. The road supervisor has a good summer road at present. Now for plenty of rock, so we may connect with the Highway next winter.

If a man is a good teamster with horses he usually becomes a good chauffeur. Notice George Davis "go down the line" with his new Chevrolet.

School Supt. N. A. Frost has given all Eighth grade graduates an opportunity to have commencement exercises. In some districts during the past, ambitious students have been denied this honor, but Mr. Frost has eliminated these difficulties and has placed the educational system of Washington County on a higher plane of efficiency.

Miss Edna Reusser is home for the summer. Miss Reusser has completed teaching school over in Tillamook county, where she met with remarkable success.

The children have been busy this week gathering wild strawberries—and many are the shortcakes that grace our dining tables. "Country

life hath many charms."

Miss Louise Huber conducted the May examination for the Eighth grade at the school house.

Messrs. Nick Kemmer and Mills figured out the cost of crushing and quarrying of 6000 yards of rock at the Hazeldale quarry. They submitted their bid at the bank in Hillsboro. When the bids were opened the only bid cheaper than their's was by former Judge Reasoner, being 5c less per yard. This is close figuring for the tax payers.

The school closed last Friday with a picnic and field-meet. An ideal day and a big crowd was a winning combination. The forenoon was devoted to a Literary program and ciphering contest by the children. The ladies served a fine dinner at noon.

Beginning at 1 o'clock, the field meet between Huber and Cooper Mt. schools provided much entertainment and many thrills for all present. Charles Barron started the races with a gun, while Thos. Mitzel and Messrs. Blomquist and Jacobsen were judges.

Events and Winners were as follows: 100 yard dash—Dewey Walker; 50 yard dash, (Boys)—Alden Barron; Pie Eating Contest—James Sams, Champion; Sack Race—Alden Barron.

The prettiest event was the girl's Relay Race which won by Cooper Mt. girls, Ruth Walker, captain, Gertrude Oberg, Bernice Barron, Millie Jacobsen and Myrtle Walker.

The greased pole with "two cans of axle grease" was a Tartar as some of the boys kept on climbing until 8 P. M. but did not reach top.

The most exciting event of the day was the baseball game between Huber and Cooper Mt. schools. Peterson, Erickson and Sproat was the battery for Huber while Johnny Hicks and Cecil Barnes were the "Heavy Artillery" for mountaineers. It was a bully game with some terrific slugging and when the smoke rolled by Cooper Mt. was on top 17 to 16.—Fred Reusser, Umpire. The cheering was great and could be heard a mile away—when we won.
