

The New 1919 Brisco

Think of everything you've wanted in a motor car—snap, style, comfort, sturdiness—you'll find them all in the Brisco.

Big, roomy body, swung on springs that absorb every road shock.

Body lines that are very attractive and bring a thrill of pride to the owner. And best of all the Brisco motor that squeezes the miles out of a gallon of gasoline at a rate you wouldn't believe until you've seen it demonstrated.

We will be very glad to demonstrate this famous car to you at any time.

So, before buying a car, come and get a free ride.

We are also interested in the Liberty Six.

We have built a first-class garage on the Fisher property and are ready for business.

Yours very truly,
