

New Garage Open.

The new Garage and General repair shop at Beaverton is now ready to do any and all kinds of auto repairing.

We have a first-class auto repair man from Portland, Oregon, who has spent many years in auto repair work in that city. When bringing your auto to us for repairs you may rely on it being repaired in first-class shape, at a moderate cost. If your engine is knocking, valves leaking, compression, clutch slipping, brake not holding, etc., bring in your machine and we will add 100 per cent to your comfort in driving your car.

We handle a good line of tires, tubes and auto accessories.

We have the Washington County agency for the Briscoe-Liberty "8" and Premier.

We will give you first-class service at any time.

Yours truly,

DAVIS & HUGHSON

Why not grandstand or bleachers at the ball ground so that the women who attend may see the game rather than the backs of a few thoughtless individuals who will crowd in front of the benches? That's the question now being asked by some of those who suffered last Sunday.

George Thyng has a neat coat of paint and paper on his confectionery, greatly improving its appearance. C. H. Fry was the artist.

Miss Jessie Lieser, one of our popular high school teachers of the year just closing, was in town Tuesday bidding farewell to friends here. She will spend the first part of her vacation at her home out of Vancouver, expects to go to the beaches about the middle of July and for next year has an excellent position in the Vancouver high school.
