BOY SCOUT NEWS

(Too late for last week)

The Scouts met last Friday at the usual time. It being Wesley Cook's birthday, we helped him celebrate. Mrs. Cook, Mrs. Wilson and Miss Davies contributed much to the celebration and pleasure by placing a feast of good things before us.

We are drilling regularly now, and are getting along a little better than when we first started.

Mr. Cook exhibited some radium which was interesting indeed.

On the event of the Peace Pact being signed by the Germans, Mr. Cook gave us permission to assemble on the school grounds and celebrate by having a large bonfire. We made a large bonfire by clearing away all the piles of brush. Later in the evening we had broad jumps and races. Fred Stump sent up a big balloon, it's flight was very successful.

The Scouts are cleaning up the school grounds now, as no one else can be had.

Several Scouts camped out Saturday night. Jack Frost camped also, and he wasn't a very pleasant bedfellow.
