

Some Pancake!

If all the wheat that Kansas is raising this year were ground into flour and made into one pancake, that pancake would cover six hundred square miles, says

The COUNTRY GENTLEMAN

in the issue of August 2—the first you will receive if you send me your subscription today. It would take forty-eight million pounds of butter, and forty-five million gallons of molasses to cover the big pancake. And Kansas boasts that she raises it all.

This year's wheat crop interests every farmer, for every one put in as much as he could to get some of the Government's \$2.26 fixed price. What are you going to raise next? Sheep? Here's an article about the Corridales. Velvet beans? Here's their story from A to Z. Pigs? Here's their story, too. Berries? Here's all about this year's crop and next

year's prospects. Whatever it is you raise—crops, livestock, fruit, truck or poultry—you will find help in THE COUNTRY GENTLEMAN. The cost? It's almost nothing at all in comparison. Only one dollar for a whole year, with 52 big weekly issues. Why miss another number? Send your name and your dollar today.
