HONOR GUARDS' DANCE

On the evening of September the 5th, the Honor Guards will give their last dance. As there is no special work for them to do now, they have decided to close with this social affair.

It has been suggested that a young peoples' social club be organized to take the place of the Honor Guards. In the organization the young men and other persons, who care for a social good time, would be represented.

Admission for the dance on Sept. 6th will be 50c for gentlemen and 10c for ladies. Some interesting plans have been made for the dance and everyone is sure to have a good time.

In writing of big loads of grain, George Davis hauled 49 sacks of wheat sewed, in one load at Bob Hocken's threshing Wednesday, some 4 years old.
