CELEBRATE GOLDEN WEDDING

The home of Mr. and Mrs. Theodore VanDyke, of Verboort, was the past week for two days the scene of a great family reunion, when Mr. and Mrs. VanDyke celebrated their Golden Wedding. They were married at DePere, Wis., Sept 5, 1869, the husband being now aged 72 and the wife 73. Father Verboort, after whom Verboort is named, married them back in Wisconsin, and the ceremony was again solemnized at the home church the other day, after which the VanDyke family repaired to their home and entertained their children and their children's children. Mr. VanDyke came from Holland in 1866 and his wife followed in 1867. To their union 14 children were born, 6 passing in infancy, and one, Anna

at the age of 8. The surviving children are: Henry, John, Walter, William, Anna, wife of W. A. Vandervelden; Nellie, wife of Wm. A. Verboort; Dora, wife of Albert Jansen, and all live at Verboort. As Mr. VanDyke, Sr. puts it, "I can step out on my porch and see the homes of all my children."

The happy couple are blessed with 42 grandchildren and the 7 families and the elders had a splendid time celebrating the fiftieth anniversary. There were big home dinners, refreshments of all kinds, dancing for the young folks, and the big family jubilee was probably the finest ever held, considering numbers and enthusiasm. Mr. VanDyke and wife moved to Oregon in 1880, and they have a host of friends in North Washington County. Their children number among the substantial citizenry of the county, and all enjoy the highest respect and esteem of the entire countryside. The presents tendered the celebrants were many and beautiful.

Mrs. VanDyke is a sister of Theo. Bernards, Verboort; John and Hubert Bernards, of McMinnville, and Mrs. Johanna Goemans, of DePere, Wis. At the wedding Mr. and Mrs. VanDyke, to show that they were just as young as they used to be, joined the youngsters in a family dance.

STRONG MEN WEEP SAYS DR. DAVIS

Former Red Cross Commissioner Tells of Recent Trip to Poland.

FOUND CHILDREN STARVING.

American Jews Raising \$35,000,000 to Save Survivors—Plan to Aid Christians as Well as Own People.

"The tragedy of the next few months in Eastern Europe bids fair to equal, if not to surpass, that of the actual war years themselves. Words are utterly inadequate to describe the suffering from poverty, starvation, disease and other allied causes that is met on every hand. Literally hundreds of thousands of the unfortunate victims of circumstances are looking to America as their only hope, but it is a question if America has not heard so much of suffering in recent months that she is numbed and perhaps cannot fully realize the terrible crisis that now confronts vast numbers of people abroad."

The above gives in brief the carefully considered opinion of no less an authority than Dr. Halm I. Davis, well known neurologist of Chicago, who returned a short time ago from Poland, where he served for some months as American Red Cross commissioner and made an intensive study of economic, social and political conditions with a special view to determining America's present and future responsibilities. At the request of Louis Marshall, Felix M. Warburg, Jacob H. Schiff of New York, Julius Rosenwald of Chicago and other prominent members of the American Jewish Relief Committee, Dr. Davis submitted a special summary of conditions in Poland. This report, together with additional information secured from other commissioners abroad, forms the basis for the appeal which the above committee is making for \$35,000,000 this year to save the lives of war's victims in those countries where the situation is most dire. The headquarters are at 15 East 40th Street, New York.

"If America could be given but a glimpse of the childhood of Poland," says Dr. Davis, "the millions of dollars that are needed would be forthcoming instantly. The common lot of literally thousands of these youngsters, both Christian and Jewish, makes strong men weep and has actually been the cause of a number of investigators for various organizations leaving the country before their work was completed."

"Walk down the streets in certain sections of Warsaw, Vilna, Kovno and other cities in Eastern Europe and you will see mother after mother, themselves emaciated, carrying children who are apparently infants of a few months, but in reality are five to eight years old. For years they had no milk, and all the other food procurable has been sufficient only to keep them alive. Undernourishment has been so long continued that the little bodies are stunted, rickets being a common affliction, and many of them can never be restored to normal health and strength."

"The lives of thousands can still be saved, however," the doctor told the Jewish Committee in his report, "if food is rushed over quickly."

"It is in the name of the pitiful children of Poland, the babies of Christian as well as Jewish parents, that I urge you to make your appeal to America for the funds that will restore their birthright to these little ones."

RABBIS BLESS MEAT AS STEAMSHIP LOADS

First Kosher Meat in Five Years Goes to European Jews as Gift.

New York.—Included in the more than \$8,000,000 worth of supplies sent abroad by American Jewish relief agencies thus far this year were several hundred tons of "kosher" meat. The steamer Ashburn, which left here some time ago for Danzig, carried 500 tons of this commodity, while the Huachuca, which has just sailed, carrying a smaller consignment to Constantza, Rumania.

Unusual interest attaches to both these shipments. Prominent Jews of this city inspected the first cargo. Jewish rabbis blessed the barrels of meat as they were lowered into the ship's hold. The meat was a gift from the Jews of America to their co-religionists in Poland and other parts of Europe. These European Jews have eaten virtually no meat in five years, for their religion prohibits them using meat other than that killed by a rabbi and in an orthodox manner, and "kosher" meat has been unobtainable.

Among the other supplies sent in these regular shipments are soap, clothing, shoes and shoe-repairing materials, large quantities of notions, medicines, hospital supplies and a long list of additional articles, every one of which is lacking in the war-torn countries across the Atlantic.

Funds to continue these regular sailings of relief ships are now being sought by the American Jewish Relief Committee, whose headquarters are at 15 East 40th Street, this city. Louis Marshall is chairman and Henry H. Rosenfeld director of this organization. Campaigns are scheduled for this fall in some twenty states, and it is expected to bring the total contributions for Jewish relief this year up to \$35,000,000.

FARMER SLAYS BEAR FEASTING ON PRUNES

Charles H. O'Neil, a farmer living three and a half miles south of this city, just off the Gaston road, killed a big black bear that he found in his orchard helping himself to Petite prunes. It required five shots from his rifle to bring his bearship down, three of the shots passing through Bruin's body. Mr. O'Neil had noticed signs of the bear's work in the orchard the day before and accompanied by his daughter Clara, the two sought the orchard Tuesday evening and found the animal feasting on the ripe fruit. The bear weighed about 200 pounds.

A few years ago Mr. O'Neil killed a couple of deer on his ranch near the same place.
