Deputy Sheriff Redmond last week  
accompanied James Gaar to Salem,  
where he will take up his residence,  
and remain indefinitely in the peni-  
tentiary. It will be remembered that  
Gaar helped himself to O. E. Mc-  
Carty's automobile, some time ago.

Burglars entered the Royal Soda  
Works one night recently and carried

County Engineer Reiter this morn-  
ing informs the Times that owing  
to the fact that the concrete paving  
between Beaverton and Portland  
has been unusually slow in hardening  
on account of the cold weather, it will  
be impossible to open the highway  
for traffic until December 1.

In order to care for the traffic the  
county is planking the bad places on  
the Barnes road and that work will  
be completed this week so that the  
trip to Portland may be made possi-  
ble until the new road is opened.

He says also that the road between  
here and Caston is also being planked  
for traffic.
