

China roosters are beginning to crow again, they are celebrating armistice as their "annual war is over."

A butcher was in town Wednesday looking over prospects to open a new meat market in Beaverton.

Mr. and Mrs. G. J. Acklen, who recently sold their property south of town and moved to Portland, were out to the Grange dinner Wednesday night.

Mrs. Acklen is teaching in the Portland schools at University Park and Mr. Acklen is employed in a Portland drug store. Mr. Acklen says it takes longer to get down town to work from his present home than it did from Beaverton.

Five foreigners passed a good examination on naturalization day, Wednesday of last week, the examination being held by Judge Bagley. Those who took the examination and passed were: George Boras, of Austria; Christ C. Otness, Norway; William Rulff, Russia; George Wise, Russia; Roland W. S. Hamer, England. Attorneys W. G. Hare and M. B. Bump have for several months been giving instructions on the constitution, which has been a great benefit to these people, who desire to take out naturalization papers.

**Speed**

A Chevrolet touring car, model "four ninety" made the fastest time between Portland and Eugene—3 hours and 47 minutes. Faster than the famed Shasta Limited.

A Chevrolet "four ninety" established a record around Mount Hood—9 hours and 21 minutes; 1 hour and 13 minutes to Rhododendron; 1 hour and 50 minutes to Government Camp.

A Chevrolet "four ninety" holds the record to Astoria—3 hours and 12 minutes; to Seaside in 3 hours and 53 minutes.

**Power**

A Chevrolet "four ninety" touring car is the only four-cylinder car to climb the tortuous Hall-street hill in HIGH GEAR. Mark this: NO OTHER FOUR-CYLINDER CAR HAS EVER EQUALED THIS FEAT.

**Economy**

A Chevrolet "four-ninety" model ran 41.3 miles on one (one only) gallon of gas. Test made with official observer as a passenger.

**Endurance**

Long continual pounding on rough and untried roads test the endurance of any car. Most any car can be driven at high speed for a short distance. BUT IT TAKES ENDURANCE and STAMINA, good materials and design to stand the strain of high speed for long distances on the open road.

A Chevrolet One-Ton Truck is the only commercial vehicle which climbed to Government Camp, at the base of Mount Hood, over and through from one to twelve feet of snow in the dead of winter. The Chevrolet carried a full one-ton load on this test.

The Chevrolet design. The Chevrolet famous valve-in-head motor is the result, the culmination of years of experiments and tests. It has been tried, tested in the hands of hundreds of thousands of users and is making good in every section of the world under every conceivable condition of use, abuse and condition.

### NOTICE OF DISTRICT ROAD MEETING TO VOTE SPECIAL ROAD TAX IN DISTRICT NO. 32

Notice is hereby given that a meeting of the resident tax payers of Road District No. 32, Washington County, Oregon, is hereby called, and will be held at the Garden Home School House, in said Road District No. 32, Washington County, Oregon, on the 22nd day of November, 1919, at the hour of 8:00 o'clock P. M., of said day, to discuss the advisability of levying a special or additional road tax in said district, to determine what, if any county roads or portions thereof in said road district shall be improved, in any special

manner, and the character and extent of such improvement or improvements they shall make thereon and to levy such special or additional tax, not to exceed ten mills on the dollar, on all taxable real and personal property in said road district, a majority of such resident tax payers of said road district shall deem advisable for the purpose of raising money with which to defray the expense of such special improvement or improvements in said Road District No. 32, Washington County, Oregon.

Dated this 24th day of October 1919.

J. W. GOODIN,  
County Judge
