STRADIVARA

"KNOWN FOR TONE"

What Stradivari, the master violin maker, did for the violin has been achieved again in this wonderful instrument

The STRADIVARA Sound Board

The thin, edge-grained spruce Sound Board, extending the full width and depth of the cabinet like the sound board of a piano, is responsible for the marvelous tone qualities of the music that is produced so beautifully by the Stradivara.

Human voice, violin, cello, piano, wind and reed instrument are all rendered by the Stradivara with sweetness and naturalness unequalled. There is a remarkable absence of metallic noise. The Sound Board transmits nothing but the pure music of the record.

Plays All Records With True
Reproduction of Original Tone

A simple turn of the Stradivara Universal Tone Arm and the substitution of a different needle changes the playing from one kind of record to another. With the Stradivara you have an unlimited choice of artist or selection.

CORRECTING A MISTAKE

Having been absent since New Year's day from Beaverton, and having come home Sunday, 11, I was surprised to find an article about me in the paper, which is absolutely false, about going away with my sister, Mrs. Rossi, and if Mr. Rossi will speak again against my reputation, he will find himself in trouble. EASTERN STARS CELEBRATE 24TH ANNIVERSARY

The 24th anniversary of Forest Chapter, No. 42, Order Eastern Star, of this city, was duly observed at the regular meeting of the chapter on Monday night of this week when a short, but most interesting program was successfully carried out. Mrs. Harry T. Giltner had charge of the program.

After the regular business of the order was transacted the entertainment started with Mrs. Z. Large reading a Masonic poem which she read years and years before this chapter was instituted. Mrs. Large has been a member of the Eastern Star sixty-six years, and was initiated in the home of her father in a little log cabin. Her father was a Mason and was very anxious that his four daughters become, what was then called, Masonic Sisters, and officers were sent for from Oregon City to come to their home for the initiation ceremony. Mrs. Large tells many interesting events of her early Eastern Star life.

Following the reading of the poem, Miss Manha Langley gave one of Robert Burns' readings, responding to an encore. Mrs. A. B. Todd, Worthy Matron, who was a Charter member of this Chapter, told of the institution of the Chapter and its many struggles for life for four or five years, during which time many interesting and laughable things occurred.
