COMMERCIAL CLUB DID NOT MEET WEDNESDAY NIGHT

Next Meeting Will Be in Two Weeks
—Change of Dates Confused Some—Other Members Ill or Away.

Beaverton Commercial Club did not hold its regular meeting Wednesday night, owing to the illness of certain of its members, the absence of others from the city and because of some forgetting that the meeting date had been changed.

The next meeting will be held on the third Wednesday of this month, the change being made in order that members of this club might attend meetings of the Huber Commercial Club and members of that club attend here if they so desire. The Huber Club will meet next Wednesday night and the local club on Wednesday of the following week.

MEMORIAL CERTIFICATES TO BE GIVEN TO RELATIVES

Engraved memorial certificates, significant of France's gratitude to America, will be presented the nearest relatives of all Oregon boys who died during the World War in the uniform of their Country. Ceremonies throughout the state will be under the auspices of local Posts of the American Legion on February 22nd.

France selected the American Legion as the representative of this country's fighters and the agency through which the delivery of the memorials should be made. The certificates are delivered to the war department and distributed to all parts of the country through the recruiting offices.

The army recruiting office at Portland is receiving the memorials for this district. As soon as complete lists of soldier dead have been compiled and checked over, the certificates will be turned over to State Headquarters of the American Legion at Portland and from there sent directly to local Posts.

Relatives of boys who made the great sacrifice have been requested to turn in their names to the nearest Post of the American Legion, with their address or place they can be found on February 22nd. Local lists will be submitted in duplicate to State Headquarters. Every effort is being made to have the lists complete and correct as possible that no one will be overlooked.

Memorial programs being prepared in honor of the young men are under local Post direction, committees having been appointed to arrange the details.

The memorial certificates are the work of Franklin Booth, an American artist, and are commemorative of the service of the American doughboy, gob and leatherneck in the greatest of wars. Each is inscribed with the name of the dead fighter whose nearest of kin receives it.

There are always two sides to every question—the trouble being, however, that the other fellow never can see it.

The man who speaks well of his neighbor seldom hears evil of himself.

We at least are safe from one menace. The devil will hardly come to earth while the reds are up and doing.

While reveling in the present wild orgy of spending, just remember that our editorial hatchery has not budged an inch from its same old stand.
