

Your Future and Your Savings

Your future and your savings are the same thing. If when old age hits you there's no money to your credit you are indeed at the world's mercy.

If you haven't already started, start saving NOW. The money will stand you in good stead some day—sooner, perhaps than you expect. And while you are saving—no matter how little—your savings give you confidence to go after the real things of life.

A dollar opens a saving account at this bank. And you will be surprised to see how quickly small savings grow when put aside regularly. Come and let us lay out a savings plan for you.

KNIGHTS TO ORGANIZE COMMANDERY AT GROVE

A Knights Templar Commandery will be organized in Forest Grove on the evening of Saturday, February 14th. A dispensation was last night granted to the Knights Templar Masons of this Jurisdiction by Grand Commander Frank Ballew, of Portland.

This action puts Forest Grove in line for the higher degrees of Masonry leading to the Shrines.

Forest Grove has one of the best Blue Lodge Masons in Oregon, a vigorous Royal Arch Chapter and the instituting of a Knights Templar Commandery completes the York Rite Degrees.

All Blue Lodge Masons are eligible to the Royal Arch and Royal Arch Masons are eligible to the Knights Templar degrees if believers in the Christian religion. Jews and Mohammedans are not eligible to the Templar degrees.

The new Commandery starts out with bright prospects for its future growth and success, as there are a number of Masons throughout the jurisdiction who desire to become Knights Templar.

A Commandery has just recently been organized at McMinnville and the territory over which the new Commandery will have jurisdiction will extend halfway between here and that city and half way between here and Portland and half way to any other commandery in any other direction.

Temporary officers selected for the new Commandery are: Eminent

The life of a kitchen maid should not be all stew and spuds and onions. There's nothing heavenly about hash. Mix a little Peach Melba in—a dyspeptic bank president, his fancy-free son, a couple of high-brow book worms. Oh! You think it doesn't sound reasonable! Well, just see "How Could You, Jean?" Mary Pickford will show you how to hold your cook.
