THEY ARE DOING THINGS OUT BANKS WAY

Banks has voted to incorporate and that hustling burg will soon hold an election. That they have a live bunch of workers out there is indicated from these items taken from last week's Herald:

A representative audience gathered Monday night and nominated the "Citizens Ticket" to be voted on at our city election March 6. As far as appearance was to be judged everybody was agreeable and satisfied. The ticket follows: For Mayor—Wm. L. Moore; For Recorder—R. C. Coffield; For Treasurer—Leona Walker; For Marshall—J. H. Kitterman; For Aldermen—A. B. McFarlane, W. O. Galaway, R. R. Kinton, W. G. Walker, Cass Wilson, Claude M Hutchens.

C. D. Minton, manager of the Brownsville Cannery at Forest Grove, was in Banks this week. Mr. Minton is talking favorably toward erecting a Receiving Station in Banks this year to handle our fruit and vegetables, and the year following, putting in a cannery. His Forest Grove cannery is planning on a big run this year. Read his ad in this issue.

Banks has secured her stage we asked for, among other good things. O. L. Denton will begin with the regular time card on March 1st, hours given later. The stage will leave Banks, near the Herald office and run to Forest Grove, where immediate connections will be made to the hourly Portland stage. Three round trips out of Banks every day and four round trips Saturdays and Sundays; giving time to go to a Portland show and getting home that night. Parcels will be carried.

Messrs. J. A. Black, H. S. Black and J. A. Black Jr, who have for some time been operating a store at Carlton, last week, purchased an interest in the store known as the Hillsboro Mercantile Co., of this city, which has been successfully managed by Mr. Schulmerich. The latter will retain his interest in the store and the new members took up their duties this week.

A burglar entered the home of Mrs. Josephine Case a week ago Sunday night, and was just leaving when she entered the house, going out the back way while she entered the front. She gave the alarm and the fellow was captured by Frank Weibel, after a merry chase. He said his name was Harry Larsen and he had papers showing that he had been discharged from the Presidio Jan. 18, 1919. He was lodged in the city jail.

Gaudens Marugge received a message last week that his brother S. Marugge, of Vancouver, had died, and his remains were brought to this city and the funeral occurred last Friday at the Limber Undertaking parlors. His body interred in the Hillsboro cemetery. He had been sick but a short while, dying from the effects of pneumonia. He leaves a sister, Mrs. A. L. Chase, of Vancouver, two brothers, Henry, of Canada, and Gaudens, of this city.

The Fleur de Lis, a society recently organized on the Campus at Corvallis, has honored two of our Hillsboro boys who are attending school at O. A. C. W. Verne McKinney, a freshman in the school of commerce, has been elected treasurer, and Chas. L. Deichman, freshman in school of engineering, elected athletic manager of the organization. At the last meeting of the Hillsboro Club, the matter of improving Shute park was the main subject, and the president of the club, Mr. Moore, appointed a committee, of three, Wm. G. Hare, L. A. Long and Mayor Wall, to investigate and report what the citizens of this city are willing to do, to beautify that park, donated some time ago by Mr. Shute, and make it a highway camping park, and place for children to play. It is also desired that the city purchase the adjoining four acres for a race track.

31 BLOCKS TO BE PAVED IN FOREST GROVE

At the adjourned session of the City Council held on Tuesday night of this week two more blocks of paving were added to that previously asked for when the people owning property on First Avenue North and "B" Street presented a petition to the council, asking to have First Avenue North paved from the present paving on that avenue at "A" Street to "B" Street and asking that "B" Street be paved from First Avenue North to the paving on Pacific Avenue. The City Council acted favorably upon this petition as it also did on that on Sixth Street which failed to come in at the last meeting, and the official notices of intentions to improve on Second Avenue from Main to Fifth Street, on Pacific Avenue from Second Street east to Seventh Street, on Third Avenue, South from Second street to Fifth street, and the notices for First Avenue North and "B" Street and Sixth Street from Pacific Avenue to First Avenue, will be found on another page in this issue. Remonstrances will be heard on Wednesday evening, March 3rd, if any there be, but the indications are there will be none of consequence this spring as the paving is wanted by a vast majorty on all the proposed streets and avenues above mentioned. This, with the paving now in progress will bring the total for this season up to 31 blocks.

The Warren Construction Company will have the highway work between here and Hillsboro completed in about ten days when work will be resumed on the Base Line road at the city limits and from there on to Seventh Street.

Mrs. Smith—I should say yes. That organization has come to stay and in order to stay they must do a ligitimate business, furthermore, they are naturally inclined to be honest in their dealings. Have you not noticed their motto? Your welfare is our pleasure and they are making their motto good.

Mrs. Jones—Yes, but they don't deliver goods to your home.

Mrs. Smith—That is how they can save you money. You need not think that goods can be delivered for nothing do you?

Mrs. Jones—No, but I hate to carry goods home from the store.

Mrs. Smith—Well, you don't have to if you will pay for the messenger, but that you must do, one way or another. Tote your own goods and help reduce H. C. of L.

Mrs. Jones—I see where you are right. I am going to call and see their goods the first time I go down town.
