JOB PRINTING In Beaverton

Having bought the job printing business of R. H. Jones and his type, presses, etc., I have moved the plant to the old bank building, next to McGee's grocery. It has taken some time to get settled in the new location and this week I had to be in Carlton three days moving my household good. Hereafter I may be found at my place and shall make a specialty of prompt printing. Your business is solicited.

Is it safe to buy of merchants in Beaverton?

Is it policy to buy goods at home? Is it economy to buy goods
in your home town? These are questions that confront everyone
who are face to face with existing peculiar circumstances.

When we employ a man for any purpose strolling from one
town to another, in preference to that of a home man we have no
right to expect any return from him.

When we buy goods from an irresponsible person we have no
redress if anything is wrong.

Patronizing a far off town we are not loyal to our own neigh-
bors.

When you buy goods from Beaver Garage & Hdw. Co., they
will return the compliment, and when they guarantee the price or
quality of goods it means safety. SAFETY FIRST.

We save you time, money and 8-hour day it is worth saving.

If time is worth \$5.00 per day money on Waverly Aluminum.
We will save you time and worry as well as on everything you
buy from us.

Your welfare is our pleasure.
