The State University, the Agricultural College, and the Oregon Normal School now have 5400 full time students. The number does not include any of the thousands of short courses, correspondence-study, or summer schools students. The income from the state for these three institutions has increased only three and eight-tenth per cent in seven years, although their attendance has increased 150 per cent.

HUBER DOTS

A number of Huberites went to Portland to attend the Hard Times Dance given by the Gul Reize Grotto. Those attending were: Mr. and Mrs. D. Shaw, Mr. and Mrs. Niepert, Mr. and Mrs. Thompson, Mr. and Mrs. Anderson, Mr. and Mrs. Darby, Mr. and Mrs. Long, and the Misses Cleo Thompson and Mildred Anderson. Also Mr. and Mrs. J. Hines, of Beaverton.

Misses Mildred Anderson and Cleo Thompson attended the Baker last Saturday evening.

Ike and Mayer Thompson attended some shows in Portland last Sunday. Miss Dorothy Blanton has just recovered from the scarlet fever. Dorothy was pretty sick but glad she had it because she lost most of her freckles. A few more of the freckled Huber belles are looking for the scarlet fever.

Gene Marriott was a visitor in Huber over Saturday and Sunday.

The Ladies Social Improvement Club gave a tea at the club house on Friday afternoon. Mrs. Monical and Mrs. Darby favored with a duet. A vocal duet by Mrs. Hearse and Mrs. Monical.

CEDAR MILL

The dance and basket social at the Grange Hall, Cedar Mill, last Saturday night, March 20th, was a decided success, both socially and financially. With a few such, it is earnestly hoped by the committee in charge soon to be able to improve the hall as planned.

Everyone in this part is beginning their early spring farm work.

B. B. Reeves and his brother, Frank, from Salem are setting the old home place in strawberries.

E. S. May will begin improving his residence soon and will move into it as soon as it is finished.

Then there are some more improvements planned in Cedar Mill for the near future.

W. H. Fuller, the poultry man, is hatching some fine White Leghorns. Mr. and Mrs. Fuller are very much enthused over their fine flock of poultry, consisting of perhaps one thousand hens and they have at present 700 young chicks hatched and incubators running with an egg capacity of from 2000 to 3000.

POLITICAL ANNOUNCEMENT

To the members of the Republican party and the voters of Washington County:

Having filed a petition for nomination for the office of County Clerk, I will say in seeking the nomination, I am not unmindful of the generous treatment and loyal support I have received in the past from the county of my birth and lifetime residence. In no sense am I demanding the nomination, but will certainly appreciate it if you desire to grant it.

S. L. Morelock, prominent fruit grower of Progress, was in town Saturday purchasing spray for his apple orchard.

The farm cow that gives milk for human food stands firm, with a total value of \$2,022,000,000, as compared with other classes of farm animals for January 1, 1920, by the Bureau of Crop Estimates of the United States Department of Agriculture. Not even the total value of all other cattle is equal to the value of the dairy cow. The average price per head of milk cows in this country has increased from \$58.25, since January 1, 1915, to \$91.25, the average for 1919, or a gain of 56 per cent in five years, according to the bureau.

Even though it may be true that the motor driven vehicle has begun to put the farm horse "on the run," there is no evidence that he has developed much speed, and his total value still compares favorably with other classes of farm animals. On January 1, 1920, the Bureau of Crop Estimates of the United States Department of Agriculture estimated the total value of horses on farms in this country at \$1,993,000,000, or just a little below the value of milk cows, which was \$2,022,000,000.

The Agricultural College and the State University will have to close their doors to at least 1000 students, and perhaps to twice that number, unless relief is voted in the May election. Both institutions are in great need of classrooms and laboratories.

THE CAPITOL

News of General Public Interest at the County Seat.

J. J. Krebs has sold the bakery building, opposite the Well store, to T. A. McCourt, who will take possession and remodel the building, as soon as it can be vacated.

Miss Lois Beatty, who has for some time acted as saleslady in the Well Department store, and Martin Van Laan, of Salem, were married in Portland, March 13th, and will make their home in this city.

Wm. Behrman, who some time ago purchased the Col. Haynes place on the Base Line road near Forest Grove, is getting the place in shape for his registered Jerseys and will, in a short time move his stock to his new home.

Richard H. Parson, of Sherwood, was in this city one day last week looking after business and trying to get the Club of Hillsboro to assist in getting a good road between here and Sherwood, which they are delighted to do.

L. A. King, of Roseburg has moved to this city and will hereafter make this city his home. He has purchased the O. G. Bret place in the P. M. addition and will get possession in about ten days. Mr King is a retired farmer.

Earl Dooley, who is with the big oil interests in Texas and California, and has been absent for the past sixteen years, is the guest of his parents, Mr. and Mrs. George Dooley, of Banks. He has been very successful in his business.

A neat little sum was raised last Saturday for the benefit of the scholarship loan fund of the Oregon State Federation of Women's Clubs, at the home of Mrs. E. H. Smith. A lecture recital was given by Mrs. Lillian Jeffries Petri for the purpose of raising the money.

On Wednesday night of last week a banquet was held in Portland by the State Advisory Board for the Home Work of the Salvation Army and the delegation from this county was W. V. Bergen, J. H. Garrett, B. W. Barnes, W. W. Boscow, J. M. Goar, Ed Moore, F. J. Sewall, of Hillsboro, and Judge W. H. Hollis, F. L. Watrous, Omar Fendall and J. N. Hoffman, of Forest Grove.

Mrs. Emma R. Dierdorf, of Meek Plains, recently received word that her son, Lieutenant Ross A. Dierdorf U. S. Navy, stationed on the U. S. S. Destroyer, Yarnell, Pacific Fleet, was united in marriage March 6th, to Miss Nell Baker, at San Diego, Cal. They sailed on the Yarnell to Manila Bay, and expect to be in the Eastern waters for some time. His many friends in this city will join in congratulations to him and his bride.

The plant of the Moore Laundry Co., was sold last week to an Astoria firm and the machinery is being shipped to that city. The business was bought by a Portland Laundry firm and the business will be carried on pretty much as before, except that the work will be done in Portland. Mr Moore's object in selling, he says, was owing to labor conditions, and too, he has received a flattering offer to go on the road as salesman for laundry supplies, and left last week for San Francisco, to investigate an offer in that city, to which place he may move.

John B. Hanley, who has been in the Mayo Bros. hospital for treatment, died at that institution and his remains were brought home for burial. The funeral took place at the North Tualatin Plains Presbyterian church Thursday last. His wife was on her way to the hospital, but did not arrive there until after he had passed away. He is survived by his wife and three children and two sisters, Mrs. Frank Chalmer, of Shefflin, and Mrs. Geo. R. Bagley, of this city.

SERVICE MEN MAY GET MONEY FOR ASKING

This is just a word from one ex-service man to others who live in this county about some money that may be yours merely for the asking. Some of you might not know that the War Work Council of the Y. M. C. A. has set aside a sum of money for this county which will be given to former service men who want to continue their education. All you have to do, if you want to

go to school, to college, take a home study course or brush up in general, is to cut out this clipping and mail it, with your name and address, to C. A. Kells, Room 805, Y. M. C. A. Bldg., Portland, Oregon, and the "Y" folks will do the rest. The money allotted to this county should be applied for within the next thirty days or there is a possibility of it being used for ex-service men in other counties. Better cut this out while you are thinking about it and mail it to the Y. M. C. A., Portland, Oregon.
